Rich Dad's Advisors®: The ABC's of Writing Winning Business Plans Garrett Sutton, 2008-11-15 Rich Dad Said Business and investing are team sports Robert T Kiyosaki Author of the New York Times bestseller Rich Dad Poor Dad and the Rich Dad™ series Robert's rich dad said The first step to raising money is a great business plan It needs to be a page turner that hooks and holds potential investors attention by selling them on the potential return on their investment how quickly they'll get their initial investment back and what the exit strategy is The ABC's of Writing Winning Business Plans reveals the strategies for preparing winning plans for both business and real estate ventures Clearly written and featuring real life illustrative stories The ABC's of Writing Winning Business Plans provides the necessary information to prepare a winning plan Garrett Sutton Esq Rich Dad's Advisor and author of the bestseller Own Your Own Corporation The ABC's of Writing Winning Business Plans illustrates how to Focus your vision for the business Format your plan to impress Use your business plan as a tool Deal with competition Attract the funding you need Identify strengths and weaknesses Draft a plan for real estate Understand your financials **Money: What Has Love Got To Do With It?** Troy Ballard, Sean

McCutchen, 2023-07-18 In our modern world the conversations around personal financial success are abundant yet the intersection of money and intimate relationships often remains untouched This new book fearlessly steps into this gap offering an engaging discussion in a short easy to read style This book is a thoughtful exploration of the relationships we have with love money and communication What if love and money are not polar opposites but intertwined in ways we've yet to fully understand What if the way we communicate about them shapes our relationships and our financial lives These intriguing questions lie at the heart of our book We explore the tricky connection between our feelings love and something totally different money and how we communicate about it Discover the remarkable feature that sets this book apart the Household Finance Calculator A simple tool this invaluable addition empowers couples and families to navigate their finances with greater ease and comprehension With practicality at its core this calculator sheds light on each individual's financial contributions to the household facilitating a fair distribution of income Prepare to witness a harmonious balance where both the collective needs of the household and the aspirations of each individual are aptly fulfilled Early Reviews Bradi A Reading the book was a very eye opening experience to say the least The stories were enthralling and relatable enough to keep me interested in what would normally be a boring topic There were parts that made me cackle parts that made me sad and thoughts of this could be me Amber H The stories in this book stirred emotions that I was unaware I had regarding money my marriage and my upbringing Robyn M I LOVED the Household Finance calculator I am not savvy with Excel nor am I one who loves to fill out budget sheets although I do think it is important It was easy I didn't feel intimidated by it and I was willing to fill it out instead of avoiding it which says a lot *Atkinson's Evening Post, and Philadelphia Saturday News*, 1928

Management with Online Study Tools 12 Months Danny Samson, Timothy Donnet, Richard L. Daft, 2017-10-25

Samson Daft Donnet's Management is a robust foundation text providing a balance of broad theoretical content with an engaging easy to understand writing style. It covers the four key management functions: planning, organising, leading, and controlling, conveying to students the elements of a manager's working day. Along with current management theory and practice, the authors integrate coverage of innovation, entrepreneurship, agile workplaces, social media, and new technology throughout. This sixth edition features a new author on the team and contains updates to content based on recent research. Real life local and international examples showcase the ongoing changes in the management world. Focusing on a skills approach, they bring concepts to life for students, supporting motivation, confidence, and mastery. Each part concludes with a contemporary continuing case study focusing on car company Toyota as it faces managerial challenges and opportunities in the region.
