women pay for internalizing those demands Rather than advising readers to make themselves likeable Menendez empowers them to examine how they perceive themselves and others and explores how the concept of likeability is riddled with cultural biases Our demands for likeability she argues hinder everyone s progress and power Inspiring thoughtful and often funny The Likeability Trap proposes surprising practical solutions for confronting the cultural patterns holding us back encourages us to value unique talents and styles instead of muting them and to remember that while likeability is part of the game it will not break you      **Emotion** Kaat Debo,Alistair O'Neill,Caroline Evans,2021-09-17 Understanding fashion is a way to understand and articulate both the hopeful and the uncomfortable truths of the world E MOTION looks at the way fashion has served as a visual signifier of contemporary instabilities concerns and emotions since the 1990s Fashion is emotion always in motion      Š!
