that is both post cinema and post auteur eschewing what has often been an exclusionary politics of genius that has dominated the medium since the French New Wave In envisioning a new system of valuation for authentic expression that incorporates historically marginalized voices Knoblauch embraces the new uneven ground we find ourselves on to demonstrate how Sciamma's influential filmography is well positioned to serve as the basis for a revitalized canon that offers a bold challenge to the status quo This canon need not be viewed as radical rejection of tradition but instead as a horizon upon which fresh innovative traditions can be formed *Instagram Reels Marketing* Dwayne Anderson, 2020-10-17
