Demystify the AI terminology that you need to know. Identify AI project roles, responsibilities, and teams for AI. Use AI models including supervised machine learning techniques. Develop and train models in Azure ML for consumption in Power BI. Improve your business AI maturity level with Power BI. Use the AI feedback loop to help you get started with the next project.

A Writer's Reference with Writing about Literature Diana Hacker, Nancy Sommers, 2024-10-01 Your college writing will be one way you put your ideas and your self out into the world. A Writer's Reference helps you strengthen your skills for that important work. It helps you develop a range of literacies: writing, reading, thinking, collaborating, using information, and working responsibly with AI. Acknowledging that generative AI tools are part of many writer's processes, A Writer's Reference teaches concrete, flexible strategies for applying your human intelligence to artificial intelligence. See C1a and the AI tips throughout. It helps writers to see AI not as a substitute but a starting point because if you've heard the expression, you do, you know that AI simply can't do you. Not authentically. It seems magical, but in fact, it understands nothing, can't think, and won't ever replace the human voice your readers will want to hear.
