New Chatgpt For Blogging For Beginners In 2025:

Coexisting with AI Kay Firth-Butterfield, 2026-01-13 Your comprehensive easy to understand guide on AI's impact in business and life *Coexisting with AI: Work, Love and Play in a Changing World* is an exploration of how AI can be used at each stage of our lives. It helps readers understand the positive impact of AI and where governance is needed from both an individual and business perspective. From childhood through to aging, this book delivers a holistic understanding of this exciting new technology in language that anyone can understand regardless of technical expertise. Written by Kay Firth-Butterfield, former inaugural Head of AI at the World Economic Forum and one of the most foremost experts in the world on the governance of AI, topics explored in this book include: An explanation of AI and Chatbots and their dependence on data; How to use AI wisely in business with your children and in your life; How AI might be used in politics and war; The good, bad and ugly of AI now and into the future; AI's potential to solve some of humanity's biggest problems from human trafficking to disease; Essential governance considerations to make AI a beneficial technological development for all. *Coexisting With AI* earns a well-deserved spot on the bookshelves of all individuals from tech executives to curious citizens seeking expert insight on where AI can take us and how to plot the best path forward for your family and business. **The Upside of**

Disruption Terence Mauri, 2024-09-04 Discover why not taking a risk is the biggest risk of all. In *The Upside of Disruption: The Path To Leading and Thriving in the Unknown*, renowned disruption thinker and best-selling author Terence Mauri delivers a compelling set of mindset shifts for today's unique leadership challenges. In the book, you'll find the future-ready insights and tools you need to lead for today and prepare your organization for tomorrow. The author explains why so many of us continually overestimate the risks of bold decisions while underestimating the downsides of standing still for too long in an increasingly complex and volatile world. You'll learn about the upside of disruption and how to turn it into a tailwind for laser-like focus and strategic courage. You'll also find discussions of why good leaders learn but great leaders unlearn. The key to unlocking cultures of courage over conformity, actionable strategies to sharpen the future readiness muscle, and find the upside in disruption. A singularly engaging new take on leading the future that uniquely favors the bold. *The Upside of Disruption* will earn a place in the libraries of managers, executives, board members, entrepreneurs, and founders looking for a new and resilient path forward. **The Art of Digital Governance** Younhee Kim, Michael J. Ahn, 2025-10-13 This book

explores the evolution and transformative potential of digital governance amid the ongoing technological revolution in the public sector. It examines how digital platforms and artificial intelligence systems reshape governance structures, transform public administration, and impact democratic processes across diverse institutional and contextual settings. By clarifying critical theoretical and practical debates, this volume synthesizes previously fragmented insights across the intersecting fields of public administration, public policy, and information technology studies. Bringing together diverse perspectives and international case studies from developed, developing, and underdeveloped contexts, the chapters illuminate both the current

state and future trajectories of digital governance The contributions offer actionable and forward looking strategies that chart pathways toward sustainable and resilient governance Additionally the volume highlights the global diffusion of collaborative and innovative digital practices making the transformative potential of digital governance accessible and impactful in our changing environments Reflecting the complexity inherent in digital platforms and AI driven transformations the volume consistently underscores that effective governance frameworks must remain adaptive inclusive and deeply rooted in collaborative processes bridging technology institutions and society

Do More in Four Joe O'Connor, Jared Lindzon, 2026-01-13 An impassioned and data driven case for a four day workweek The five day workweek is a pillar of modern life but it isn't backed by science ancient wisdom or divine decree It's simply a relic of the industrial age and it's time for an upgrade What if we could accomplish more while working fewer days A shortened workweek once seemed like a radical idea Today it's embraced by innovative business leaders forward thinking politicians and a new generation of workers demanding more meaningful work In **Do More in Four** Joe O'Connor a pioneer in designing and leading four day workweek pilots around the globe and journalist Jared Lindzon whose work has appeared in the New York Times Fortune and TIME magazine present a groundbreaking data driven exploration of why a four day workweek isn't merely possible it's necessary in the age of artificial intelligence O'Connor and Lindzon draw on extensive research compelling case studies and personal interviews with experts including a Nobel Prize winning economist and Bill Gates to reveal how organizations are reimagining work From a consumer products giant in New Zealand to a global nonprofit a Canadian law firm and a Midwestern architecture firm they take readers inside the companies transforming their work models to improve employee outcomes while driving revenue growth **Do More in Four** offers a battle tested blueprint for a smarter more humane approach to work
