Kutub Thakur, Helen G. Barker, Al-Sakib Khan Pathan, 2024-07-12 Having been catapulted into public discourse in the last few years, this book serves as an in-depth exploration of the ever-evolving domain of artificial intelligence, AI, large language models, and ChatGPT. It provides a meticulous and thorough analysis of AI, ChatGPT technology, and their prospective trajectories given the current trend, in addition to tracing the significant advancements that have materialized over time. Key Features: Discusses the fundamentals of AI for general readers; Introduces readers to the ChatGPT chatbot and how it works; Covers natural language processing (NLP), the foundational building block of ChatGPT; Introduces readers to the deep learning transformer architecture; Covers the fundamentals of ChatGPT training for practitioners. Illustrated and organized in an accessible manner, this textbook contains particular appeal to students and course convenors at the undergraduate and graduate level, as well as a reference source for general readers. *Reinventing Blogging with ChatGPT* Laua Maya, 2023-05-12 *Reinventing Blogging with ChatGPT* is a comprehensive guidebook for bloggers and authors seeking to enhance their content creation workflow through the use of AI language model ChatGPT. The book provides a clear and concise overview of the entire process, from identifying target audiences and niches to sharing posts on social media and evaluating blog performance. What sets this book apart is its focus on writing from prompts. To aid bloggers in generating fresh and creative ideas, the authors provide various sentence, multiple sentence, and conversation prompts throughout the book. These prompts are designed to complement specific chapters, such as *Creating Your Blog's Mission Statement* and *Brainstorming Blog Post Topics*, and can help bloggers who may be struggling to come up with ideas. In addition to prompts, the book covers other essential aspects of blogging, such as search engine optimization (SEO), affiliate marketing, and social media promotion. The authors offer actionable advice and tactics on how to increase visibility and readership through strategic use of these tools. For instance, in the chapter *Inserting Strategic Links and Affiliate Links*, the writers provide best practices for incorporating affiliate links to monetize blogs without sacrificing writing integrity. The book also devotes several chapters to leveraging ChatGPT to improve the content development process. The authors provide an overview of ChatGPT and explain how to use it for generating topic ideas, refining writing, and creating attention-grabbing headlines. The prompts offered throughout the book make it easy for bloggers to produce high-quality content quickly and easily. Another key feature of the book is its focus on reader engagement. The authors offer practical advice on developing relationships with and maintaining interest from the target audience. The section *Interacting with Your Audience* details how bloggers can encourage conversation and feedback through comments and other tools. Finally, the book concludes with a chapter on performance analysis. The authors provide guidance on measuring the success of blog content using metrics such as

readership and time spent on site By monitoring these statistics bloggers can identify what is working and what is not leading to better content and higher rankings In conclusion Reinventing Blogging with ChatGPT is an invaluable resource for bloggers and authors seeking to improve their content creation process and attract a larger readership The book s emphasis on writing from prompts and practical advice for audience engagement and performance analysis make it a must read for bloggers of all skill levels
