Credibility of Influencers* Christin Smuda,2018-10-02 Bachelor Thesis from the year 2018 in the subject Communications
Public Relations Advertising Marketing Social Media grade 1 0 University of Applied Sciences M nchen language English
abstract The aim of this thesis is to develop a measurement scale to determine the credibility of influencers in today s
digitalized environment Thus an extensive literature review will be conducted to reveal underlying dimensions concepts and
impact models of the social construct credibility Those examinations will provide a well founded overview of the current
academic research in this field and will guide the author to the subsequent empirical investigation Aligning with the
structure of key sources the researcher decided on a sequential exploratory research design consisting of a qualitative
questionnaire which serves as reliable foundation of the subsequent quantitative questionnaire Thereby the qualitative
survey aims to define and refine the items of the credibility scale select exemplary influencers for the following rating
process and give the author a first feel about the respondents perception of credibility In contrast the purpose of the
quantitative survey is to collect an extensive amount of data n 385 to further select descriptor items that consumers associate
with credible influencers and therewith build a reliable and valid base for further analytical calculations The Bold Ones:

Ditch the Act: Reveal the Surprising Power of the Real You for Greater Success Leonard Kim, Ryan Foland, 2019-10-25. Be human. It's the only way to get ahead in business today. Competition today is fiercer than ever. It seems that every job candidate is flashing a world-class resume and every business competitor is the absolute best at what they do. Don't be fooled. People exaggerate. And don't be discouraged. By revealing stories of failures, setbacks, and personal flaws without shame or fear, you exhibit greater self-confidence than your competition. You cultivate connections with serious, smart people and you build loyalty that lasts. *Ditch the Act* shows how to present your humanness: imperfect and flawed but honest, resilient, and willing to learn in strategic ways to achieve clear, defined goals. It provides an actionable program for building an authentic, long-lasting personal brand, explaining why exposure is important and how it cultivates more durable connections than any polished persona can. By creating a personal brand that's honest and authentic and that reveals personal struggles, you'll build stronger, longer-lasting relationships and achieve greater success. Careers and businesses based on authenticity and truth aren't just more rewarding than those founded on hyperbole and the hard sell. Because they're founded on durable, robust relationships, they're rock-solid and better withstand business uncertainty and tough times. *Ditch the Act* be real and jump ahead of the competition before they even know you are there.
