Bigger Or Better? Ian Lowe, 2012 A comprehensive and detailed analysis of the controversial debate about Australia's population numbers this book clarifies the subject and addresses the many misconceptions It provides a historic account of Australia's population growth and a study of official data while examining the components of that growth in detail including birth rates and immigration as well as the more recent trend of an aging population In addition this thorough account also discusses the motives of the interested parties both those who promote population growth and those who argue against it

Proceedings of the 21st European Conference on Management, Leadership and Governance Stephanie Buisine, Muriel Davies, The European Conference on Management Leadership and Governance has evolved significantly over the past 21 years adapting to the changing landscape of management and leadership practices Initially focusing on foundational theories and practices in management the conference has expanded its scope to include a diverse range of

topics reflecting contemporary challenges in the field In its earlier years the conference mainly emphasized traditional management principles leadership styles and governance frameworks As global business dynamics shifted so did the conference s themes incorporating emerging trends such as digital transformation sustainability and ethical leadership
