The Startup Protocol Sally Ann Frank, 2024-03-01 There are lots of founders and lots of ideas floating around to help improve the delivery of healthcare services and positively affect the health of each of us as individuals as well as groups of patients afflicted by chronic or acute diseases Unfortunately many of these ideas never reach their full potential to improve patient outcomes or reduce costs of care Sometimes it s because the idea isn t feasible or scalable Sometimes it s because the market isn t ready or regulators aren t ready And sometimes it s just because the founder or founding team has a blind spot or two Not only do these hidden blind spots ensure their failure but in many cases with better planning or a greater more holistic understanding of the market forces the blind spot can be overcome Or better yet the founder can realize that their idea is doomed from the start and consider other better options to solve the problem they are attacking The goal of this book is to help founders and their teams identify blind spots and avoid the most common pitfalls of starting a digital health company Having spent time with founders VC companies and most importantly prospective digital health startups patterns have emerged regarding those startups that are successful and those that die an often slow and painful death While not a recipe for guaranteed success having a guidebook of sorts can help navigate the perils associated with building a digital health company and can very likely improve the odds of success The book will go through the typical life cycle of an early stage company from ideation to the first few customer deals and highlight best practices for tackling the challenges at each stage including What problem are you trying to solve And why are you trying to solve this problem Who will help you build

the solution and company How will you build the solution How will you pitch your company How will you sell your solution And what does success look like to you your stakeholders and your customers

stuck and you're not sure how to grow it. Do you ever feel like you're stuck in a vicious cycle of publishing epic blog posts promoting them everywhere you can and still not driving very much traffic? Well, this book is for people like you. Bloggers that have a ton of potential but haven't quite seen any promising results. People that want to take their blog to the next level and get massive results. See, I used to be just like you. I really wanted to have my own blog but I kept putting it off. Publishing my own words for the entire world to read. What if they hated me? What if no one liked what I had to say? It was scary and intimidating. What do I do differently today? After finally diving in and starting a blog, I now earn a living off of it. And the income is all passive, meaning I make money while I sleep. All from one little blog. Yes, see, I used to be a casual blogger. I'd publish posts randomly whenever they came to me. I thought my posts were epic but this strategy got me nowhere. Once I finally gained some momentum, I never looked back. The road wasn't easy but I stuck with it. Along the way, I discovered a few simple methods and tricks. It wasn't long until I realized that it wasn't as hard or scary as I thought. It was actually pretty simple. And now I make a living off of my blog. And I want to teach you everything I've learned along the way. See, in this day in age, just setting up a blog and publishing post after post isn't enough. How are you going to stand out from the millions of other blogs out there? You've got to know how to overcome the fear of getting started. You've got to create content that will force readers to sit at the edge of their seat. You've got to know how to get in front of huge audiences. I'll admit, there are many shady books on blogging out there that talk about how to make money through a blog the easy way. Well, I'll tell you right now: It's not easy. But if you put in the work, it's much simpler than you think. This book is filled with proven methods, tips, and solutions that any writer needs to know if you want to start a blog and monetize it. After reading *Your First 1k*, you will know how to avoid writer's block and get passed blank page syndrome. Make sure your content gets in front of the right people. Overcome any fears or roadblocks that are keeping you from taking your blog to the next level. Know the best strategies on how to make your first 1,000 in passive income. Learn how to use guest blogging to grow a huge email list. Get access to 2 more free ebooks that deliver more value than you'll be able to handle. Just follow the simple advice revealed in this book and I assure you that by the time you're done reading, you'll have everything that it takes to start your blog and make money from it.

The Author Blog Anne Allen, 2018-02-03. An easy does it guide to simple low tech blogging for authors who want to build a platform but not let it take over their lives.
