## **Simple Remote Customer Service Jobs In Usa:**

The outsourcing of legal services Singh Dharamveer, 2015-10-27 Economic globalization is transforming practically every service sector. The legal industry that has long remained insulated too has not remained untouched by the effects of globalization. The outsourcing of legal services in the past one decade has transformed the legal landscape. Legal outsourcing to India is becoming increasingly popular among U S and European law firms and corporations. This book broadly seeks to discuss three main topics surrounding legal process outsourcing LPO: its emerging trends, the legal challenges it raises, and the hitherto unrecognized potential it holds. Firstly, this book clarifies concepts of LPO and its operating models practiced by U S and U K law firms and corporations. Secondly, the outsourcing of legal services creates significant challenges for ethics rules including conflict of interests, attorney-client privilege, supervision, and fee sharing. Thirdly, this research explores the hidden potential of LPO to improve access to justice. This book develops an altogether new proposal where Indian LPO professionals could help alleviate the access to justice problem among indigent and low-income populations of the United States. **Ohio Job Training** United States.
