Small Business Financial Management Kit For Dummies Tague C. Tracy, John A. Tracy, 2011-02-11 If you're a small business owner managing the financial affairs of your business can seem like a daunting task and it's one that far too many people muddle through rather than seek help. Now there's a tool-packed guide designed to help you manage your finances and run your business successfully. *Small Business Financial Management Kit For Dummies* explains step by step how to handle all your financial affairs from preparing financial statements and managing cash flow to streamlining the accounting process, requesting bank loans, increasing profits and much more. The bonus CD-ROM features handy reproducible forms, checklists and templates from a monthly expense summary to a cash flow statement and provides how-to guidance that removes the guesswork in using each tool. You'll discover how to Plan a budget and forecast, Streamline the accounting process, Improve your profit and cash flow, Make better decisions with a profit model, Raise capital and request loans, Invest company money wisely, Keep your business solvent, Choose your legal entity for income tax, Avoid common management pitfalls, Put a market value on your business, Complete with ten rules for small business survival and a financial glossary. *Small Business Financial Management Kit For Dummies* is the fun and easy way to get your finances in order, perk up your profits and thrive long term. Note: CD-ROM, DVD and other supplementary materials are not included as part of eBook file.

Foreclosure Investing For Dummies Ralph R. Roberts, Joseph Kraynak, 2007-05-29 A practical guide that helps you thoroughly research properties so you know what you're getting into before you buy or bid on a property. With the housing bubble of recent years bursting and interest rates on the rise, there has been an upsurge in the number of foreclosures across the country, creating many opportunities for profit. But investing in real estate foreclosures can be a tough job, especially when a negative stigma is attached. How do you make money while preserving your morals and trust? *Foreclosure Investing For Dummies* shows you how to invest in foreclosures ethically without being accused of stealing homes from little old ladies. When you approach the process in a fair-minded way, presenting homeowners with various options and offering a reasonable price for their home, you can walk away with your integrity intact and potentially a reasonable profit too. This step-by-step guide helps you research property, find the best opportunities, purchase foreclosures and avoid misleading distressed homeowners. If you're committed to success, dedicated to mutually beneficial solutions, can treat foreclosure investing as business and you can talk to people, this book is for you, but it doesn't promise quick profits through minimal work. This book will provide you with invaluable information to become a successful investor, including how to Identify opportunities and understand risks, Obtain information, tools, support and resources, Locate properties prior to foreclosure, Assist homeowners through the foreclosure process, Acquire properties below market value prior to the auction, Buy property at an auction from lending institutions and government agencies, Repair, renovate and sell or lease property. A hands-on guide with tips and strategies for refinancing your property and maximizing your profits, this book also provides advice on how to assist
