Strategist: Build a Successful Program from the Inside Out

Christopher Barger,2011-12-20 Build a powerful social

media strategy to increase buzz and the bottom line Whether you re Fortune 500 or a small business owner if you re looking for success in this field you owe it to yourself to read this book George G Smith Jr Social Strategist PepsiCo After working with hundreds of organizations in their efforts to adopt social technologies I can safely say The Social Media Strategist is the best guide available Christopher Barger elevates the social media conversation with an experienced pragmatic insider s discussion about real adoption This book should be on every corporate and agency practitioner s shelf Geoff Livingston author of Welcome to the Fifth Estate and Now Is Gone This book is an absolute must read for anyone seeking to better understand how to plug social media into their business from both a strategic and an operational standpoint and should be required reading for communications and business management students around the world Olivier A Blanchard author of Social Media ROI The Social Media Strategist is refreshing because it has substance amidst a sea of social media superficiality It will help you think strategically and realistically so you can act efficiently and creatively If you re serious about business and committed about leveraging social media you need to read this book Esteban Contreras Social Media Marketing Manager Samsung USA Christopher offers a refreshing point of view as a seasoned practitioner and leader in the earliest days of the social media evolution He describes the challenges of large scale internal change and the rewards of integrating social media business planning and he shares real world examples of successful campaigns Shauna Causey Head of Social Media Nordstrom About the Book In today s fast paced professional climate large companies are learning that launching a website and taking a wait and see approach to engaging customers is not enough Competition is fierce and those who master the social media space are the ones who come out on top There is greater urgency than ever before to establish a vibrant social media program and it all starts with a key strategist who can best organize and leverage all of the organization s resources to cut through the bureaucracy and get real time results This is where The Social Media Strategist comes in Before tackling specific social media programs you first have to get your own organization and everyone in it on board with making social media a business strategy priority Christopher Barger the award winning former social media director at General Motors and IBM s former blogger in chief describes all the challenges particular to getting a comprehensive social media program off the ground in a large firm The Social Media Strategist teaches you how to Manage internal office politics from your legal team to the policy makers to the human resource department Present new ideas to lawyers and executives in a compelling convincing way Teach your employees the guidelines and protocols they ll need to represent your company Turn your organization into a true media outlet publishing content that is generated by in house employees and is truly engaging

to an outside audience Telling a company from the outside what it should do is one thing writes Barger Actually making it happen from the inside is quite another Here he takes the bold step of starting where all successful endeavors begin by planning well by putting all the moving parts in the right place by constructing a solid foundation Consult The Social Media Strategist and build the best suited social media infrastructure for your company Then and only then can you begin to raise your profile connect with customers and increase your profits using the most powerful new business tool

What they need now is a guide based on hard data and practical experiences that shows how to put those tools to work. Morgan fills that need with this book. Erik Brynjolfsson coauthor *Race Against the Machine* and *Wired for Innovation* and Chair of the MIT Sloan Management Review. The value of collaboration is intuitive: we accomplish more faster better when we work as a team and play well with others. But collaboration at the scale and pace of modern enterprise isn't simple, easy, or straightforward. Harnessing the power of organizational collaboration requires the right mix of art and science, and an expert coach would surely be helpful. *The Collaborative Organization* provides a plan, real world lessons, insights, and expertise born of broad based research, tempered by the rich and diverse experience of early pioneers. Mark Yolton, SVP of SAP. A fresh, honest, and actionable guide to internal collaboration. *The Collaborative Organization* delivers practical insight into what it takes to successfully launch, maintain, and evolve the initiatives that are designed to address collaboration challenges unique to your business. A valuable read. Nathan Bricklin, SVP and Head of Collaboration Strategy, Wells Fargo. About the Book. While there are few guarantees in business these days, there is one simple truth we can all agree upon: Companies that embrace social and collaborative technologies and strategies stand the best chances of succeeding; those who don't will fail. Still, the question remains: How do you get the most out of these world-changing tools, and how do you develop strategies to succeed? Jacob Morgan, the cofounder of Chess Media Group, says that you have to start where it all begins: with your employees. And in *The Collaborative Organization*, he shows how to do it. In this nuts and bolts guide, Morgan provides the information, insight, and strategic framework you need to use emergent collaborative software behind your company's firewall to solve business problems, unearth new opportunities, and drive innovation. *The Collaborative Organization* takes you from the starting gate to the finish line of creating and executing a profit-driving, growth-focused strategy that leverages the power of social and collaborative technologies and strategies in your company. Learn all there is to know about: Using collaborative technology to transform your business. Avoiding risks that come with making social technology part of your organizational DNA. Choosing the right software and technologies for your specific needs. Getting every employee on board. Assessing your organization's collaborative readiness. Building teams to lead collaboration. Motivating employees to make social technologies part of their everyday routine. Measuring and sustaining the success of your strategy. Dozens of case studies and contributions from companies from around the world, such as the Children's Hospital, the U.S. Department of State, UPS, Vanguard, and Pabst Brewing Co., clearly illustrate what works, what doesn't, and why. Whether your company has 100 employees or 100,000, *The Collaborative Organization* gives you what you need to get everyone on board to foster lasting success and growth in today's uncertain but exciting business landscape.
