The Suitcase Office Koen Blanquart,2022-08-20 Once upon a time working from home was rewarding the way to maintain our work life balance But then came Covid working from home became the norm and for many the very thing that gets in the way of a balanced life All back to the office then Specialists agree that tomorrow s workplace will be location independent and even transnational Location independent work offers numerous advantages It answers employees demand for more autonomy and creates unseen opportunities in the war on talent And what s more it makes companies more agile and competitive because the limitations of office space national borders and the traditional and local 38 hour week disappear

In *The Suitcase Office* digital nomad Koen Blanquart shows that rather than location independent work people and processes get in the way of a healthy work life balance and smooth cooperation. He shows managers how to set up their operations so that agendas and projects are managed efficiently and effectively even in a transnational context. He sets companies on the path to generating more flexibility, time and satisfaction among their teams without skimping on results.
