by the pandemic to breath freely again Another interpretation hand in hand with the snappy front cover image might refer to Andy Warhol s iconic pop art consumerism or simply the tastiness of the contents the tin cans hold a little like the insights in this magazine if I dare say And lastly the shades of green to the cans give the message that our consuming society might well contain a new and more responsible sustainable taste to it In any case we hope you download this Global Voice 21 issue open it up and consume its insights with immoderation Enjoy your reading     *The Word Study That Sticks Companion* Pamela Koutrakos,2019-05-29 Kickstart joyful independent word study practice in your K 6 classroom Pamela Koutrakos offers a plethora of tools and ready to go resources to help teachers put the inquiry based structures lessons and routines she delivered in her first book Word Study That Sticks into action Loaded with teacher facing resources such as planning and assessment tools and student facing tools such as reproducible minicharts choice checklists and self assessments The Word Study That Sticks Companion includes routines and materials that can be used within any word study curriculum Let students take charge of their learning while you gain time for differentiated instruction and make word study fun for students
