Simple Ai Website Builder For Freelance Writers:

The AI Freelancer's Playbook—supercharged with a viral title, accessible language, and packed with value

Dizzy Davidson, 2025-07-27 If you're tired of chasing freelance gigs without results. If you wish you had more hours in your day but can't afford to hire help. If tech overwhelms you and you just want simple tools that work. Then this book is for you. The AI Hustle Handbook is the God-sent guide for freelancers ready to level up without burnout. Whether you're a graphic designer, writer, virtual assistant, coach, or multi-talented creative, this book reveals how artificial intelligence can become your silent business partner, speeding up your work, amplifying your ideas, and freeing up your time. Written in clear, jargon-free language for readers of all backgrounds, even those with a Grade 9 education, this handbook is PACKED with tips, tricks, and step-by-step guides that walk you through building websites, pitching clients, and handling finances with smart tools. Real-life stories of freelancers who've scaled their income with AI support. Illustrations and examples that make each chapter fun, relatable, and insanely useful. You'll learn how to go from solo hustle to solo empire without writing a single line of code. Inside, you'll find prompts, cheat sheets, toolkits, and bonus resources that empower you to take action immediately. Whether you're just starting out or looking to scale, this book will change the way you work forever. **GET YOUR COPY TODAY**

The Chicago Guide for Freelance Editors Erin Brenner, 2024-05-08 The definitive guide to starting and running a freelance editing business. You've been thinking about shifting into the world of freelance editing, but you don't know where to start. In a time when editors are seeking greater flexibility in their work arrangements and schedules, freelancing is an increasingly common career option. But deciding to go it alone means balancing the risks with the rewards. From the publisher of *The Chicago Manual of Style* comes *The Chicago Guide for Freelance Editors*, the definitive guide to running your business and finding greater control and freedom in your work life. In this book, Erin Brenner, an industry leader and expert on the business of editorial freelancing, gathers everything you need to know into a single resource. Brenner has run her own successful editing business for over two decades and has helped hundreds of editors launch or improve their businesses through her teaching, blog, writing, and coaching. *The Chicago Guide for Freelance Editors* will walk you through the entire process of conceiving, launching, and working in a freelance editing business, from deciding on services and rates to choosing the best business structure, to thinking through branding and marketing strategies and beyond. This book is ideal for beginning freelancers looking to get set up and land their first clients, but it's equally valuable to those who have already been freelancing, with detailed coverage of such issues as handling difficult clients and continuing professional development. You'll find a collection of advice from other successful freelance editors in this guide, as well as an extensive list of resources and tools. In the final and perhaps most important chapter, Brenner teaches you how to care for the key component of the business yourself. *AI Money*
