(Not) Getting Paid to Do What You Love Brooke Erin Duffy, 2017-06-27 An illuminating investigation into a class of enterprising women aspiring to make it in the social media economy but often finding only unpaid work Profound transformations in our digital society have brought many enterprising women to social media platforms from blogs to YouTube to Instagram in hopes of channeling their talents into fulfilling careers In this eye opening book Brooke Erin Duffy draws much needed attention to the gap between the handful who find lucrative careers and the rest whose passion projects amount to free work for corporate brands Drawing on interviews and fieldwork Duffy offers fascinating insights into the work and lives of fashion bloggers beauty vloggers and designers She

connects the activities of these women to larger shifts in unpaid and gendered labor offering a lens through which to understand anticipate and critique broader transformations in the creative economy At a moment when social media offer the rousing assurance that anyone can make it and stand out among freelancers temps and gig workers Duffy asks us all to consider the stakes of not getting paid to do what you love

Consumer Psychology in a Social Media World Claudiu V. Dimofte, Curtis P. Haugtvedt, Richard F. Yalch, 2015-09-16 Consumer Psychology in a Social Media World seeks to illustrate the relevance of consumer psychology theory and research to understanding the social media world that has rapidly become a key component in the social and economic lives of most individuals Despite the rapid and widespread adoption of social media by consumers research focused on individuals use thereof and its implications for organizations and society has been limited and published in scattered outlets This has made it difficult for those trying to get either a quick introduction or an in depth understanding of the associated issues to locate relevant scientific based information The book is organized into five broad sections The first presents a summary overview of social media including a historical and cultural perspective The second section is focused on social media as a modern form of word of mouth always considered the most impactful on consumers It also touches upon a motivational explanation for why social media has such a strong and broad appeal Section three addresses the impact that consumers switch to social media as a preferred channel has had on marketers branding and promotional efforts as well as the ways in which consumer involvement can be maintained through this process Section four takes a methodological perspective on the topic of social media assessing ways in which big data and consumer research are influenced by novel ways of gathering consumer feedback and gauging consumer sentiment Finally section five looks at some consumer welfare and public policy implications including privacy and disadvantaged consumer concerns Consumer Psychology in a Social Media World will appeal to those who are involved in creating managing and evaluating products used in social media communications As seen in recent financial and business market successes e g Facebook Twitter LinkedIn Instagram Pinterest WhatsApp etc businesses focused on facilitating social media are part of the fastest growing and most valuable sector of today s economy

Instagram Marketing Advertising Robert Grow, 2020-10-16 At first, some people get into Instagram to socialize and for fun. Anyway, it is a better way to share some of your personal photos and perhaps show off. In addition, Instagram can be used for an effective and fruitful marketing strategy. Most of the people on Instagram are unaware that you can make their business more visible. However, this becomes better when you have clearly identified your niche. Most of the prevalent niches are fashion, health and fitness, travel and tourism, and beauty. It should not be an issue if your business does not fall under any of these niches. Start by evaluating the most appropriate niche for your business, which makes you unique. There is an Instagram niche for everyone, whether you are a succulent grower, food blogger, nature lover, or a travel marketer. You just need to find your niche and stick to it. Doing this may not be easy; take time deliberating the best choice. It also requires accuracy and patience. For effective Instagram marketing, you must be sure that the content you share through Instagram will reflect the values that you represent as a brand. Being genuine can help you resonate well with your target audience. You should be flexible without compromising your business goals. Even though the strategies and tactics described in this book are proven effective, you must still be open to experimenting to see which can really bring results. You should always be mindful of your Instagram activities. While you can outsource the job, it is still your responsibility to make sure that your posts are beneficial to your brand and your activities can bring results. Be on top of your online activities as it can make or break your business. This guide will focus on the following: Why use Instagram? How Instagram works, the different functionalities, How to make a great Instagram account, How to make money from Instagram, page Why content needs to be effective, Building a personal brand in 2019, How to do lead magnet on Instagram like a pro, Creating an effective marketing strategy, Why Instagram for social marketing, Best apps to use to market your brand on Instagram, Building value and setting up your account for success, Common mistakes to avoid when marketing on Instagram, The best tips for growing your Instagram business account, AND MORE.
