The United States Catalog, 1924. **Mexican Political Biographies, 1935-1993**. Roderic Ai Camp, 1995. *My Father's Shoes* is at its core an anthology of short stories. The book is allegoric and the shoes are metaphoric. Unlike most anthologies, however, these stories are an amalgam of themselves. They integrate and coalesce. There is a rhythm and a cadence both in substance and in form. This book was initially written as a gift to my father. I wanted to share certain memories with him that were meaningful and lasting. I wanted him to know from my perspective just how important he was in my life. He never really understood the profound impact that he had on the lives of other people, especially his family. Because of that humility, or perhaps in honor of it, I wanted him to know that he truly made a difference in this world. As others read the manuscript, they seemed to recognize something of themselves in these stories. A memory. A passage. An incident. A feeling. As they did, I became more comfortable with sharing these vignettes of family life. In the end, this book is really more about me than my father. But even more than that, it is about appreciating every circumstance in life, however mundane or unremarkable it may seem at the time. These seemingly discrete and unrelated moments actually define who you are, what you become, and what

matters most in life At least they did for me My father always used to say senza memoria vita non esiste which in Italian means without memory life does not exist These are my memories and this is my inheritance Raymond F Vennare While dedicating a significant and successful portion of his life and career to business entrepreneurship and science Raymond s essential orientation is humanistic He is exquisitely aware of the inter relatedness of all things This ability to intrinsically see and understand how disciplines overlap and coincide is Raymond s distinctive gift He is at home in the intersections of business culture art and science and uses interconnectedness as a catalyst for finding novel ways to forge bonds across disciplines and solve human problems Raymond has always been driven to express his way of seeing the commonalities of the world This is reflected in the lifelong diversity and range of his pursuits through his work as an academically trained art historian ethicist and businessman and as a multi disciplinary artist painter writer musician and commentator His current artistic offering is a richly textured memoir My Father s Shoes which he is also adapting for stage and audio performance This vibrant anthology celebrates the capacity of one person to make a lasting difference in the lives of others With humorous reflection clanking dishes wafting aromas and loving tenderness it vividly reminds us how we ultimately transfer our human energy through the stories and memories we create and leave behind There isn t one ounce of fat in Vennare s writing Every story is a journey every sentence a complete thought This book is not just a good read this is Benediction Frank Ferraro Filmmaker and Playwright I feel like I know these people and I care about them and the vivid way they lived Vennare s courage in the act of remembering his father s life and revealing his own is an invitation to all of us to find a way to pass on the stories and memories we hold most dear Karen Kern Writer My Father s Shoes is a wonderful trip down memory lane With each chapter read the pages penned touched my heart and resonated with personal stories of my own family members The book is a one shoe fits all narrative Lillie Leonardi Author In the Shadow of a Badge *Bradstreet's Weekly* ,1902
