**RD Boyd**

## **Popular Ai Image Upscaler Guide In The United States:**

Warriors of Art Yumi Yamaguchi, 2007 Recently the West has been inundated by a steady flow of images from manga anime and the video games that are a key part of today's Japanese visual culture. At the same time Japanese contemporary artists are gaining a higher profile overseas; many Westerners are already familiar with Takashi Murakami's brightly colored cartoonlike characters or with Junko Mizuno's grotesque Lolita style girls. Perhaps less familiar are the absurd fighting machines of Kenji Yanobe, the many disguises of Tomoko Sawada or the grotesque fairytale landscapes of Tomoko Konoike. *Warriors of Art* features the work of forty of the latest and most relevant contemporary Japanese artists from painters and sculptors to photographers and performance artists with lavish full color spreads of their key works. Author Yumi Yamaguchi offers an insightful introduction to the main themes of each artist and builds up a fascinating portrait of the society that has given birth to them: a Japan that still bears the scars of atomic destruction, a Japan with a penchant for the cute and the childish, a Japan whose manga and anime industries have come to dominate the world. *Warriors of Art* takes its title from a phrase used to describe Taro Okamoto, 1911-1996, perhaps the first truly influential contemporary artist to emerge in postwar Japan who fought to bring modern art to a wider audience. Following in Okamoto's footsteps, the forty artists featured in this book are a new generation of warriors attacking our senses with a shocking mix of the cute, the grotesque, the sexy and the violent, forcing us to sit up and take notice of their vision of Japan.

**New York Magazine**, 1995-02-20 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

*New York Magazine*, 1994-05-02 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

*Los Angeles Magazine*, 2003-11 *Los Angeles Magazine* is a regional magazine of national stature. Our combination of award winning feature writing, investigative reporting, service journalism and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture and news that define Southern California.
