Qualitative Research with Socio-Technical

Grounded Theory Rashina Hoda, 2024-09-13 This book is a timely and practical guide to conducting qualitative research with a socio technical approach. It covers the foundations of research including research design, research philosophy and literature review, describes qualitative data collection, qualitative data preparation and filtering, explains qualitative data analysis using the techniques of socio technical grounded theory (STGT) and presents the advanced techniques of qualitative theory development using emergent or structured modes. It provides guidance on evaluating qualitative research application and outcomes and explores the possible role of Artificial Intelligence (AI) in qualitative research in the future. The book is structured into five parts. Part I Introduction includes three chapters that serve to provide an overview of the book in Chapter 1 a brief history of the origins and evolution of the GT methods in Chapter 2 and an introduction to STGT in Chapter 3. Part II Foundations of Research includes three chapters that cover the building blocks of empirical research through a simple yet powerful approach to designing research methods, the research design canvas in Chapter 4, the fundamental concepts of research philosophy in Chapter 5 and the myriad of literature review methods including those suited to STGT in Chapter 6. Part III Qualitative Data Collection and Analysis includes four chapters that explain the key concepts related to collecting qualitative data in Chapter 7, techniques used for collecting qualitative data in Chapter 8, how to go about preparing and filtering qualitative data in Chapter 9 and the qualitative data analysis procedures of open coding, constant comparison and memoing in Chapter 10. Part IV Theory Development includes two chapters that explain what is considered theory or theoretical outcomes in Chapter 11 and the advanced STGT steps of theory development in Chapter 12. Eventually Part V Evaluation and Future Directions includes two chapters that present the evaluation guidelines for assessing STGT applications and outcomes in Chapter 13 and explore new opportunities in qualitative research using large language models in Chapter 14. This book enables new and experienced researchers in modern as well as traditional disciplines to conduct rigorous qualitative research on socio technical topics in the digital world. They will be able to approach qualitative research with confidence and produce valuable research outcomes in the form of rich descriptive findings, taxonomies, theoretical models, theoretical frameworks, preliminary and mature theories, recommendations and guidelines all grounded in empirical evidence.

The Routledge Handbook of Translation, Interpreting and Crisis Christophe Declercq, Koen

Kerremans, 2023-12-22 This handbook offers a broad ranging overview of the study of translating and interpreting in conflict and crisis settings and takes the field in new directions. Covering a wide selection of multimodal contexts that build on the fundamentals of translation, interpreting and their in between hybrid forms of mediation, the handbook is divided into four parts. The opening part covers perspectives on policy and practices, whether contemporary or historical, and cases truly span the globe from Peru and Brazil over Belgium and Sierra Leone to Australia, Japan and Hong Kong. International developments require profound considerations about the professionalisation of access to language in times of crises, not least in contexts of humanitarian negotiation or conflict zone interpreting. These form the second part. The subsequent part deals with spheres of

community in which language needs are positioned within frames of agency positionality and trust and the challenges that these face The contributions build on cases where interpreters act as catalysts for translation needs in settings of humanitarian aid and beyond The final part considers language strategies and solutions in crises This handbook is the essential guide to translation and interpreting in conflict and crisis settings for advanced students and researchers of translation and interpreting studies and will be of wide interest in peace studies political science and beyond
