Continuity And Discontinuity Early Christianity In Its Jewish Setting:

Continuity and Discontinuity Morna D. Hooker, 2018-04-06 In the course of time the antagonism between Jew and Christian became so bitter that Christians began to behave like cuckoos or like tycoons who had taken over the company So concerned were they with their own position in God's scheme of salvation that they ceased to ask fundamental questions about God's purpose for Israel according to the flesh They forgot that poignant verse in Romans in which Paul declares I could wish that I myself were accursed and cut off from Christ for the sake of my brothers my kinsmen by race For by the time that the church had become a predominantly Gentile community it had been cut off not from Christ but from Paul's kinsmen I have been attempting in these lectures to understand the situation of those who wrestled with the problem of relating old and new in the first years of the Christian era if we wish to understand the origins of our faith then clearly it is essential to explore the context in which it was first formulated It may well be that the way in which these men and women related old and new may be of help to Christians today who experience the tension between past tradition and present experience It may be that a better understanding of what was going on as the Christian community sought to establish its own identity could affect our attitudes to questions concerning Jewish Christian relationships today

Continuity and Discontinuity Morna Dorothy Hooker, 1986 In the course of time the antagonism between Jew and Christian became so bitter that Christians began to behave like cuckoos or like tycoons who had taken over the company So concerned were they with their own position in God's scheme of salvation that they ceased to ask fundamental questions about God's purpose for Israel according to the flesh They forgot that poignant verse in Romans in which Paul declares I could wish that I myself were accursed and cut off from Christ for the sake of my brothers my kinsmen by race For by the time that the church had become a predominantly Gentile community it had been cut off not from Christ but from Paul's kinsmen I have been attempting in these lectures to understand the situation of those who wrestled with the problems of relating old and new in the first years of the Christian era if we wish to understand the origins of our faith then clearly it is essential to explore the context in which it was first formulated It may well be that the way in which these men and women related old and new may be of help to Christians today who experience the tension between past tradition and present experience It may be that a better understanding of what was going on as the Christian community sought to establish its own identity could affect our attitudes to questions concerning Jewish Christian relationships today from back cover

Jesus and Paul in the Context of Judaism and Early Christianity Donald A. Hagner, 2025-03-27 In the late nineteenth century Jewish scholars began to be interested in Jesus and eventually Paul as important figures in the history of the Jewish people Rightly understood they argued Jesus and Paul belonged more to Judaism than to Christianity as even radical critical Christian scholars were concluding The earliest believers in Jesus were exclusively Jews forming something like a new sect within Judaism The emergence of the Christianity of the New Testament soon became a focus of attention for Jewish scholars and with this a host of questions arose such as

about the influence of Hellenism the parting of the ways the widespread Christian misperception of Judaism the tragedy of anti-Semitism and the identity of Jesus as Messiah and Lord The present essays address these and other issues maintaining throughout the tension of continuity and discontinuity and stressing the underappreciated radical newness of the New Testament

Building on the Ruins of the Temple Adam Gregerman, 2016-06-28 In the immediate centuries after the Romans destruction of Jerusalem and its Temple in 70 CE Jews and Christians offered contrasting religious explanations for the razing of the locus of God's presence on earth Adam Gregerman analyzes the views found in three early Christian texts Justin's Dialogue with Trypho Origen's Contra Celsum and Eusebius Proof of the Gospel and one rabbinic text the Midrash on Lamentations all of which emerged in the same place the land of Israel and around the same time the first few centuries after 70 The author explores the ways they interpret the destruction in order to prove in the case of Christians or make it impossible to disprove in the case of the Jews that their community is the people of God He demonstrates the apologetic and polemical functions of selected explanations for claims to the covenant made by one community excluded those made by the other

Matthew and Mark Across Perspectives Kristian A. Bendoraitis, Nijay K. Gupta, 2016-02-11 The essays in this volume present a state of the discipline snapshot of current and recent research into the Gospels of Matthew and Mark The contributions showcase wide range of methods and perspectives on Gospels study The Gospels are viewed from a traditional historical perspective and with an eye on history of interpretation Literary and social scientific analysis of the Gospels as well as theological and spiritual readings are also presented The collection presents chapters by experts in the field of Matthean Markan and Jesus studies that freshly examine the core texts The list of highly distinguished contributors includes James D G Dunn Francis Watson and Donald Hagner

Legitimation in the Letter to the Hebrews Iutisone Salevao, 2002-07-01 This book adopts an interdisciplinary approach to the study of the theology symbolism and argument of Hebrews Employing sociological models the book examines Hebrews in the context of the early Christians construction and maintenance of a social world In that respect the book elaborates the thesis that Hebrews was designed to serve a legitimating function in the realm of social interaction that its theology symbolism and argument were designed to construct and maintain the symbolic universe of the community of the readers It is argued that we cannot properly understand the theology symbolism and argument of Hebrews apart from its first century context

Two Testaments, One Bible David L. Baker, 2013-04-06 Do we need the Old Testament today Is this collection of ancient writings still relevant in our postmodern and increasingly post literary world Isn't the New Testament a sufficient basis for the Christian faith What does the Old Testament God of power and glory have to do with the New Testament God of love whom Jesus calls Father Are these two very different Testaments really one Bible In this thoroughly revised updated and expanded edition of *Two Testaments One Bible* David L Baker investigates the theological basis for the continued acceptance of the Old Testament as Christian Scripture through a study of its relationship to the New Testament He introduces the main issues surveys the history of interpretation and critically

examines four major approaches He then considers four key themes which provide a framework for Christian interpretation of two Testaments in the context of one Bible typology promise and fulfilment continuity and discontinuity and covenant He completes his study with a summary of the main conclusions and reflection on their implications for the use of the Bible today

The Partings of the Ways James D. G. Dunn, 2006 A unique study of the development of Christianity's divergence from Judaism that is most relevant to today's students of multi faith societies Mature Christianity in the 21st Century Norman A. Beck, 1994 Mature Christianity is the most careful study of anti Jewish polemic of the New Testament that I have read Krister Stendahl *Prospects for Post-Holocaust Theology* Stephen R. Haynes, 1991 This work examines the significance of Israel for Christianity in the pre Holocaust theology of Karl Barth and the post holocaust theologies developed by Jurgen Moltmann and Paul van Buren Concluding that Barth's radical traditionalism is an unsuitable basis for developing apost Holocaust theology the author turns to more promising work expressed by the messianic theology of Moltmann and the radical theology of van Buren The book then distinguishes the work of Moltmann and van Buren from the work known as Holocaust theology and places their work in the light of both the Reformed tradition and the revision of Christian doctrine after Auschwitz The study concludes by discussing both the resources and obstacles facing post Holocaust Christian theology

Journal of Jewish Studies, 1987 The Evacuation of Shekomeko and the Early Moravian Missions to Native North Americans Karl-Wilhelm Westmeier, 1994 Based on extensive handwritten Moravian sources but also using ethno historical methods this study evaluates the approach of the missionaries and the Native Americans response in light of the reactions of the colonial whites who desired the destruction of the mission It explores the conflict between Church mission and State society in view of Americanization processes examining early American racism and its effects beyond the closing of Shekomeko to the Native American communities at large especially with regard to their growing resistance to the Christian message It seeks to contribute not only to missiology but also to the ethnohistory of America and anthropology and sociology especially in the narrower fields of peace and racial studies *Unity and Diversity in the New Testament* James D. G. Dunn, 2006 A challenging textbook for level two and three New Testament scholars The new material is the author's critical refinement of all the original issues covered New Testament study the synoptic question and the origins of Christianity are all fundamental areas of study on theology undergraduate degrees today **Middle Judaism** Gabriele Boccaccini, 1991

Bulletin of Dr. Williams's Library Dr. Williams's Library, 1989 *The Meaning of "works of the Law" in Galatians and Romans* Robert Keith Rapa, 2001 Paul's orientation toward the Law of Moses and the Judaism of his day and the resulting

impact upon his theological thought have remained perplexing issues in New Testament and specialized Pauline studies This book examines the meaning of Paul s expression works of the law in Galatians and Romans as a means toward resolution of these difficult areas Robert Keith Rapa suggests that rightly apprehending Paul s perspective on work his use of rhetorical and epistolographical communication mechanisms and his concept of the place of the Law in the redemptive program of God leads to a coherent consistent understanding of Paul s polemical argumentation and his approach to the Law of Moses This understanding will in turn lend clarity to our interpretation of these epistles which are key for grasping Paul s theology
