*Start-up Wolf* Olivia Yijian Liu, 2024-05-28 Transnational entrepreneurs with technological know how have been promoted by the Chinese state and academic literature as a central force for regional development of industrial competitiveness But what motivates them and what do they experience and aspire to when building a start up in China This book answers these questions by examining how socially privileged entrepreneurial talents adopt and champion the wolf culture a fast paced competitive and aspirational work culture that has become prevalent since China's mass promotion of entrepreneurship and innovation Based on extensive field research including participant observation and interviews in Shenzhen's high tech industry this book

challenges the popular notion of entrepreneurship as entirely self initiated and passion driven Outlining the concrete instruments of governance of the local state the author argues that transnational talent from elite schools or elite professions is often entrepreneured in China Moreover she argues that the different standards of selection of entrepreneurial talents by state and market actors create localised precarious conditions for them This book offers fascinating insights into the contradictions inherent in the Chinese model of entrepreneurship Start up Wolf will appeal to scholars and students of China studies the anthropology of entrepreneurship science and technology studies and economic geography as well as business practitioners interested in innovation and high tech start ups The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**The Perennials** Mauro F. Guillén, 2023-08-22 Get the best from accelerating social change with the new book from the bestselling author of 2030 and acclaimed thought leader Kirkus Mauro Guillén Adam Grant praises how the book invites us to rethink our careers our families and our future plans Find out why business leaders and bestselling authors around the world are calling the book sharply relevant and necessary William P. Lauder insightful and deeply researched Richard Florida and A must read Mohammed A. El-Erian In today's world the acceleration of megatrends increasing longevity and the explosion of technology among many others are transforming life as we now know it In The Perennials bestselling author of 2030 Mauro Guillén unpacks a sweeping societal shift triggered by demographic and technological transformation Guillén argues that outmoded terms like Boomers Gen X Millennials and Gen Z have long been used to pigeonhole us into rigid categories and life stages artificially preventing people from reaching their full potential A new postgenerational workforce known as perennials individuals who are not pitted against each other either by their age or experience makes it possible to liberate scores of people from the constraints of the sequential model of life and level the playing field so that everyone has a chance at living a rewarding life Guillén unveils how this generational revolution will impact young people just entering the workforce as well as those who are living and working longer This multigenerational revolution is already

happening and Mauro Guill n identifies the specific cultural organizational and policy changes that need to be made in order to switch to a new template and usher in a new era of innovation powered by the perennials **Medical Decision Making** Harold C.
