Confidence How Winning Streaks Losing Streaks Begin End:

Confidence Rosabeth Moss Kanter, 2006-02-28 From the locker room to the living room to the boardroom how winners become winners and stay that way Is success simply a matter of money and talent Or is there another reason why some people and organizations always land on their feet while others equally talented stumble again and again There s a fundamental principle at work confidence that makes the difference between winning and losing in any competition be it a high school basketball game or a high stakes business situation In *Confidence* Harvard Business School professor Rosabeth Moss Kanter shows why organizations of all types may be brimming with talent but not be winners Based on her extraordinary investigation of success and failure in companies such as Continental Airlines and Verizon and sports teams such as the New England Patriots and Philadelphia Eagles as well as the arenas of education health care and politics Kanter explores a new theory and practice of success and provides people in leadership positions with a prescriptive program for maintaining a winning streak or turning around a downward spiral Packed with brilliant practical ideas *Confidence* provides fresh thinking about success in all facets of life from the factors that can make or break corporations and governments to the keys for successful relationships in the workplace or at home

Confidence Rosabeth Moss Kanter, 2006 The author looks at winning and losing in the business world arguing that the key to success lies in an organization s character perseverance winning tradition and confidence

Confidence , 2004 **Critical Issues in the History of Spaceflight** Stephen J. Dick, Steven J. Dick, Roger D. Launius, 2006 In March 2005 the NASA History Division and the Division of Space History at the National Air and Space Museum brought together a distinguished group of scholars to consider the state of the discipline of space history This volume is a collection of essays based on those deliberations The meeting took place at a time of extraordinary transformation for NASA stemming from the new Vision of Space Exploration announced by President George W Bush in January 2004 to go to the Moon Mars and beyond This Vision in turn stemmed from a deep reevaluation of NASA s goals in the wake of the Space Shuttle Columbia accident and the recommendations of the Columbia Accident Investigation Board The new goals were seen as initiating a New Age of Exploration and were placed in the context of the importance of exploration and discovery to the American experiences

An Epidemiological Study of Leadership Garry Wade McGiboney, 2021-11-03 While there are hundreds of books on leadership no other book links epidemiological concepts to leadership Epidemiologists look for treatments by matching the determinants to the disease As such this book not only identifies leadership determinants but also matches research based antidotes to them at the end of each chapter The book includes over 550 references on leadership psychology epidemiology management systems theory and others as well as over 60 case studies analyzed to illustrate points about leadership and determinants Additionally each chapter includes a list of key terms and concepts discussion items and highlights of lessons learned At the end of the book there is a section on leadership and motivation theories and models as well as a section that provides leadership style surveys and assessments that can help readers identify their leadership style while also becoming aware of what changes in leadership style can improve workplace climate

Leading From the Front: No-Excuse Leadership Tactics for Women Angie Morgan, Courtney Lynch, 2006-03-15 Ask yourself honestly is your professional life going according to plan If you are not developing your leadership skills there is an essential element missing from your efforts for success Leading from the Front will show you how to start leading your life rather than allowing your life to lead you Many women have never received formal leadership training They weren't taught to be decisive commanding and ready to take risks But it's never too late to change Angie Morgan and Courtney Lynch weren't born leaders they became leaders during their years in the U S Marine Corps enduring some of the toughest training on earth Now they pass the leadership know how and experience from that training on to you Drawing on their years as Marine Corps officers and successful private consultants Morgan and Lynch deliver 10 key practices to becoming a powerful leader You'll improve your decision making focus and performance as you learn to Set an inspiring example Think fast on your feet Stop making excuses Take care of your team so they'll take care of you Respond without overreacting Stay cool while dealing with crises Have the courage to achieve your goals Learn how to effectively take on any challenge that comes your way with the confidence you need to lead like the toughest Marine but with a woman's touch

America the Principled Rosabeth Moss Kanter, 2008-10-14 Sometimes it seems that Americans are divided in countless ways red or blue black brown or white rich or poor male or female What happened to America as the land of freedom and openness In America the Principled renowned Harvard Business School professor and bestselling author Rosabeth Moss Kanter tackles the hardest questions our nation faces and challenges us to recommit ourselves to pursuing our nation's noblest goals equality and opportunity As our open minds open markets and open borders our nation's highest ideals are

besieged by ideologues and zealots Dr Kanter shows us how to recapture the American Dream Artfully mixing practical ideas with compassionate guidance she reminds us that the stakes have never been higher Our economic vitality and democratic ideals are both at risk In order to compete in the global market we must invest in people and ideas reward hard work value dialogue and debate and listen to dissenting voices We must curtail our desire for worldwide empire build bridges through citizen diplomacy and pursue happiness instead of hegemony Dr Kanter proposes six vital items on the agenda for restoring American strengths Widening the net of prosperity by creating opportunities for people of all social and economic classes to participate in the science based white coat economy We can t afford to have large segments of people and areas of our country existing outside the foundations of our future innovation seeking society Supporting real family values through fair and flexible workplaces that reduce stress and close gender gaps enabling people to earn a living be productive and have the time and energy for the other side of life Ridding the private sector of imperial excess by instilling a values based capitalism of businesses that are well run make lots of money and do lots of good Reinventing government and stop denigrating it so that when the next Katrina strikes we have the right people in place with the motivation capability and resources to deal with it Doing something about the Ugly American by earning back the respect that we have lost in the last six years through individual grass roots engagement with people in other countries Moving from me to we through national service programs that tap both young people as well as aging baby boomers to create a community ethos that unites people behind common purposes Empowering and surprisingly optimistic America the Principled urges us to work together for a bright future we ll be proud to share having earned the respect of the world once more and shows us how to do it From the Hardcover edition
