**Confronting Cults, Old and New** M. Thomas Starkes, 1984-01-01      **Channeling** Joel Bjorling, 2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult      **Routledge Library Editions: Spiritualism**

Various, 2022-07-30 The volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology      **New Religious Movements** Dereck

Daschke, Michael Ashcraft, 2005-06-17 An original collection of primary documents conveying the wide array of ideas connected to new religious movements New Religious Movements is a highly unique volume bringing together primary documents conveying the words and ideas of a wide array of new religious movements NRMs and offering a first hand look into their belief systems Arranged by the editors according to a new typology the text allows readers to consider NRMS along five interrelated pathways from those that offer new perceptions of existence or new personal identities to those that center on relationships within family like units to those movements that highlight the need for recasting the social order or anticipate the dawn of a new age The volume includes original documents from groups such as the Unification Church Theosophy Branch Davidians Wicca Jehovah s Witnesses Santeria and Seventh Day Adventists as well as many others Each section is prefaced by a contextual introduction and concludes with a list of sources for further reading New Religious Movements offers a rare inside look into the worldviews of alternative religious traditions      *The Discipling Dilemma* Flavil

Ray Yeakley, 1988      **Apologetics, Mission and New Religious Movements: A Holistic Approach** Philip Johnson, 2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson s work apart from earlier studies

of cults and new religions At the same time his work is innovative in other ways     Science Confronts the Paranormal  
 Kendrick Frazier,2023-10-17 A Gallop poll surveyed 506 American teenagers aged 13 to 18 and discovered the following 69%  
 believe in angels 59% believe in ESP 55% believe in astrology 28% believe in clairvoyance 24% believe in Bigfoot 22%  
 believe in witchcraft 20% believe in ghosts 18% believe in the Loch Ness MonsterCarl Sagan has said that the wonders of  
 real science far surpass the supposed and imagined mysteries of fringe science Yet as statistics show the paranormal is still  
 an endless source of fascination for people around the world This collection of critical essays and investigative reports  
 examines virtually every area of fringe science and the paranormal from a refreshingly scientific and clear minded viewpoint  
 The authors are noted scientists philosophers psychologists and writers All bring to the task a determination to sift sense  
 from nonsense and fact from fiction in an area notorious for misinformation misperception self delusion and wishful thinking  
 They do so in a way that highlights the differences between real science and pseudoscience They ve made special efforts first  
 to find the actual facts behind numerous claims that have popular appeal and then to explain and communicate what  
 scientific investigation and reasoning reveal about them Subjects treated to incisive and entertaining examination include  
 astrology ESP psychic detectives psychic predictions parapsychology remote viewing UFOs creationism the Shroud of Turin  
 coincidences cult archaeology palmistry and fringe medicine There are also explorations of the implications of paranormal  
 beliefs for science education     **Books in Print** ,1994     **Elder Horror** Cynthia J. Miller,A. Bowdoin Van Riper,2019-02-08  
 As baby boomers gray cinematic depictions of aging and the aged are on the rise In the horror genre fears of growing old  
 take on fantastic proportions Elderly characters are portrayed as either eccentric harbingers of doom the crone who stops at  
 nothing to restore her youth the ancient ancestor who haunts the living or as frail victims This collection of new essays  
 explores how various filmic portrayals of aging as an inescapable horror destined to overtake us all reflect our complex  
 attitudes toward growing old along with its social psychological and economic consequences     **Discovering the Plain**
