## **Confronting The Controversies A Christian Looks At The Tough Issues:**

**Confronting the Controversies** Rev. Adam Hamilton, Sally D. Sharpe, 2001-05-01 Christians are faced every day with daunting choices between difficult alternatives What does my Christian faith have to say about the moral issues that divide our society There are plenty of people on opposite sides of the spectrum claiming to know the will of God in these matters It is nonetheless very difficult to find help in looking at both sides of these ethical questions and applying the biblical witness to arrive at an authentically Christian belief about them This is precisely what Adam Hamilton proposes to do Presented as a collection of sermons *Confronting the Controversies* includes euthanasia assisted suicide creationism abortion and homosexuality Scrupulously fair to both the positions of each side and their motivations for holding them Hamilton offers clear concise information on what is at stake in these explosive issues Hamilton applies a careful broad reading of Scripture to offer direct yet compassionate guidance on what a faithful Christian response will be This book is set up for group study with discussion questions at the end of each chapter

*Preaching Ethically* Ronald D. Sisk, 2007-12-17 How do clergy preach to meet the legitimate needs of their congregation and live up to standards of professionalism and personal integrity *Preaching Ethically* offers guidelines for preaching in light of a range of factors that might tempt a preacher to misuse the pulpit How do you preach about controversial issues What do you say from the pulpit when your marriage is in trouble What are the ethics of preaching in times of local or national crisis How do you draw from resources found on the Internet and elsewhere without plagiarizing or misleading listeners about the source of the materials How do you write a sermon when you know very little about a subject Why and how do you feed a congregation a balanced sermonic diet To be true to ourselves and our calling says Sisk we must examine how the many factors that can influence our preaching come into play the calling to preach to gospel compels us to preach in ways that keep the gospel foremost treat the congregation fairly and are true to our own convictions and our personal integrity

**Hurry, Sunday!...** Jim Bowman, 2005-04 This book will bless you and help you see life in new and rewarding ways as the author helps you find God at work in your daily life

**The Workbook on the Ten Commandments** Maxie Dunnam, Kimberly Dunnam Reisman, 2017-02-15 Our culture is debating about when it s permissible to display the Ten Commandments said a reviewer of this book *The Workbook on the Ten Commandments* will help them be displayed in the one place that matters your life Small groups looking for Bible study that meets real life will welcome this skillfully presented study of the Ten Commandments Biblical context and contemporary application are woven throughout eight weeks of study Reflection questions draw the reader deeper into God s purpose for each commandment in our lives today A clearly outlined group meeting plan caps each week These sessions include community building exercises time for singing hymns and discussion and time to pray together

Christian Social Action, 2001

Homosexuality Joseph Walter Miller, 2016-07-26 For many today the issue of homosexuality is easily and clearly settled in scripture The issue for them is one of scriptural authority One either obeys the command found in scripture or one

does not Yet for others the scriptural commands are not nearly as clear as claimed and the issue is not obedience but rather interpretation It is not whether one will obey God s will once known but determining if in fact traditional interpreters have discovered God s will Joe Miller Jr a retired pastor with a deep concern from LGBT persons in his community and church tackles this subject by examining not just the scriptures but also the people who interpret them and the theology and science they use to do so He believes that a scriptural case can be made for the full acceptance of LGBT and that to truly follow Jesus and care for the least of these demands nothing less     *Subject Guide to Books in Print* ,2001     **Book Review Digest**
