Supreme Court Appellate Division-First Department , Federal Supplement ,1959 **The Disciple Whom Jesus Loved** Edward Reaugh Smith,2000-08 12 lectures in various cities March 21 July 11 1922 CW 211 We must understand that if we relate only to dead matter we ourselves become dead and ahrimanic but if we have sufficient courage and love for all the beings around us to relate to them directly not to our dead ideas about them we discover the Christ in everything and victorious spirit everywhere When this happens we may need to speak in ways that seem paradoxical to our contemporaries We may need to speak about the individual spiritual beings that live in the solid and fluid elements and so

forth As long as we avoid talking about these beings we are talking about a dead science that is not imbued with the Christ To speak about them is to speak in a truly Christian sense We must imbue all of our scientific activity with the Christ More than that we must also bring the Christ into all of our social efforts all of our knowledge in short into all aspects of our life The Mystery of Golgotha will truly bear fruit only through human strength human efforts and human love for each other In this sense Anthroposophy in all its details strives to imbue the world with the Christ Rudolf Steiner These lectures were given midway between World War I and Steiner's death in 1925 They will be of particular interest to anyone wanting to comprehend Rudolf Steiner's mature understanding of his mission enchristing the world The first two lectures constitute a call to arms or return to basics Steiner speaks existentially and phenomenologically building upon recognizable descriptions of actual experiences His theme is the three states of consciousness waking dreaming and dreamless sleep and he shows how these ordinary human functions have initiatory possibilities The next four lectures deal with the evolution of consciousness in relation to the universal significance of the Christ event Through the resurrection Christ's being entered earthly evolution As a result we see the world differently Where ancient humanity experienced Not I but the divine spirit around me we can experience Not I but the Christ in me With this insight we reach the heart of this volume esoteric Christianity For Steiner our most important task as human beings is to learn to overcome death by uniting with the Christ who overcame death Humanity's survival depends upon the enchristing of the world It is the purpose of Anthroposophy to bring this reality into world evolution to enable all religions and all human beings to experience the new reality The Sun Mystery and the Mystery of Death and Resurrection is the first complete English translation of Das Sonnenmysterium und das Mysterium von Tod und Auferstehung Exoterisches und esoterisches Christentum GA 211 Eight lectures were published in an earlier English translation as part of Festivals and their Meaning II Easter 1956 Cover image Burial by Ninetta Sombart **The New Interpreter's Bible** Abingdon Press, 1994 Full texts and critical notes of the New International Version and the New Revised Standard Version of the Bible in parallel columns **Index** Henry Smith Williams, 1908
