*Conquering Kashmir* K. K. Nanda (Lieut. Gen.), 1994      **Outstanding Victories of the Indian Army, 1947-1971** Col Bhaskar Sarkar - VSM (Retd), 2016-04-20 The Indian Army has fought many battles in the 52 years since independence Most of them were fought against Pakistan Some of these were fought against the Chinese some against the LITE some against Nizam of Hyderabad and some against the Portuguese in Goa Some were fought in the mountains of Kashmir Sikkim or Arunachal Pradesh Some were fought in the deserts of Rajasthan Some were fought with adequate resources and after deliberate planning and preparations while others were fought under desperate situations with whatever could be mustered to thwart a superior enemy Some of these battles have been won some lost and others ended in stalemate Aspiring generals and students of military history must study these battles to understand why a particular battle went a particular way This book deals with 11 outstanding victories of the Indian Army Shalateng Rajauri and Zoji La from the Kashmir War 1947 48 Chusul from the 1962 Chinese War Hajipir Assal Uttar and Phillora from the Indo Pak War 1965 and Bayra Sylhet Basantar and Dacca from the Indo Pak War 1971 The book narrates the background and conduct of these battles It also tries to analyse the factors that contributed to these outstanding victories It also tries to analyse the qualities that go into the making of a great general      War With No Gains Lt. Gen. K.K. Nanda, 2013-01-01 I was ordered to attack a Pakistan s very strong defensive position opposite me on the same night It made no sense to me particularly when my entire Brigade Sector was under intense shelling and Pakistan having the initiative could attack that night Under the then prevailing circumstances I was certain that lifting of troops from one of my forward infantry battalions would unbalance me and I therefore had no option but to refuse the GOCs order He was livid and very angry and that led to my fighting Maj Gen E Desouza rather than Pakistan during the fortnight of the War For all my subsequent offensive actions he refused to give me any additional troops from his reserve Brigade which was located in my Sector only and that too without any ground holding responsibility or any other commitment We of course did our best but that was not good enough My Brigade would have achieved much more if additional resources had been allotted to me by the GOC for specific tasks In this bargain the Indian Army and the Nation lost a golden opportunity to capture real estate in POK Excerpt from the book This book by Lt Gen KK Nanda serves a good purpose in portraying important aspects of Army life in Operational Areas and during War It is of value to professionals as well as to the general public interested in defence issues War With No Gains by Lt Gen K K Nanda War With No Gains An Insider s Account offers a compelling and insightful narrative of warfare from the perspective of Lt Gen K K Nanda Drawing from his extensive military experience the book provides a firsthand account of the realities complexities and consequences of armed conflicts Lt Gen Nanda offers valuable insights into the human cost of war and emphasizes the importance of peaceful resolutions to global conflicts Key Aspects of the Book War With No Gains An Insider s Account Personal Experiences Lt Gen K K Nanda shares his personal experiences and encounters on the battlefield providing readers with a

unique perspective on the challenges faced by soldiers and the emotional toll of war Strategic Analysis The book goes beyond personal anecdotes and delves into strategic analysis examining the factors that contribute to the initiation and escalation of conflicts Lt Gen Nanda offers reflections on the impact of geopolitical dynamics and the importance of diplomatic efforts in preventing war Lessons for Peace War With No Gains highlights the futility of war and underscores the significance of peaceful resolutions Lt Gen Nanda advocates for dialogue cooperation and conflict resolution methods to avoid the devastating consequences of armed conflicts Lt Gen K K Nanda a distinguished military officer brings his extensive firsthand experience to War With No Gains An Insider s Account With a decorated career in the armed forces Lt Gen Nanda witnessed the harsh realities of war and its profound impact on both soldiers and civilians Through his book he aims to shed light on the human side of conflicts and advocate for peaceful solutions Lt Gen Nanda s unique perspective and insights provide readers with a deeper understanding of the complexities of war and the urgent need for global efforts to prioritize peace and diplomacy

**Kargil War** Bhaskar Sarkar,1999 **India and Pakistan** Duncan McLeod,2016-12-05 Are India and Pakistan rivals or enemies Despite a voluminous output of political and in particular historical accounts of this extraordinary and unique relationship in international politics there has been little attempt to theorize the culture of violence between these two states As a consequence the study of India Pakistan relations suffers from what the author labels historical reiteration that is the dispute is historicized in a way that reproduces the preconceived division of 1947 Duncan McLeod moves the debate away from historical reiteration to instead theorize on the levels nature and culture of violence between India and Pakistan since partition and independence in 1947 He examines the politicization of culture cultures of rivalry and conflict enmity and unlimited conflict The volume will appeal to students and scholars in the fields of political theory Asian politics and political sociology Organiser ,2002 **Pakistan's Downfall in Kashmir** M. N. Gulati,2001 The Shindy Raised By The Ding Dong Of 1965 War Had Momentarily Clouded Rational Judgement Soon After The Dust And Fog Of War Had Settled Down The Searching Minds Asked The Question What Was All This About The End Results The Balance Sheet They Were Not There In The Clash Of Metal Against Metal Nor In The Biggest Tank Battle S Fought After The Second World War Nor Could One Find The Answers In Strategic Concepts Or Territorial Gain Or Loss The Book Is The Story Of Those Momentous Battles Fought And Not Fought A Birds Eye View Presenting A Composite Picture Through All The Three Indo Pak Wars **Mass Resistance in Kashmir, Origins, Evolution, Options** Tahir Amin,1995 Kashmir and Indo-Pak Relations Ravi Nanda,2001 **The Valley of Kashmir** Aparna Rao,2008 The Valley of Kashmir long famous around the world for its unparalleled natural scenic beauty also has a rich cultural heritage with religious tolerance and amity among people belonging to different religious faiths as its core The arrival of Islam in the late fourteenth century and its interaction with an ancient Shaiva tradition resulted in the emergence of a liberal version of the faith It was a turning point in Kashmir s history Popular culture grew rich with folk tale song dance and music and with what craftsman could weave stitch and shape

with their nimble fingers When self rule came in 1947 it was overshadowed by armed intervention to secure the accession of the state of Jammu Kashmir to Pakistan The dispute over the issue is still unresolved Within the Valley years of opportunistic policies pursued by Delhi and corruption and misgovernance by Srinagar proved to be fertile soil for the eruption of a violent jehadi secessionist movement around 1980 that drove the Hindu minority into exile tore apart the composite culture and resulted in large scale loss of life and property There are signs visible today that the utter futility of the path of violence which engendered counter violence has dawned on some of its votaries These and other issues are addressed in this volume by a galaxy of scholars including Kashmiris from India France Germany the UK and the USA under the thoughtful editorship of Aparna Rao who sadly died before the work could be placed with a publisher Throughout the preparation of this volume Rao worked in consultation with Professor T N Madan The result is a book rich in information insights and interpretations that entitle it to stand alongside Walter Lawrence s classic work *The Valley of Kashmir* 1985 from which its title is borrowed
