Conquering The New Sat Reading:

A Concise Guide to Reading the New Testament David R. Nienhuis, 2018-01-02 The New Testament came together and comes to us not as a randomly sorted set of individual books but as a definitely shaped and ordered whole This concise theological introduction to the New Testament sheds light on the interpretive significance of the canon s structure and sequence and articulates how the final shape of the canon is formative for Christian discipleship Providing an essential overview often missing from New Testament books and courses this book will serve as an accessible supplement to any New Testament or Bible introduction textbook

Reading Revelation Joseph L. Trafton, 2005 Trafton has produced a clear understandable insightful reading of the book of Revelation not an easy task for a book that has left many readers puzzled and confused One of the particular strengths of Trafton s commentary is his close attention to the structure of John s work and the internal connections between various passages of the book Readers will also benefit from Trafton s identification of John s extensive indebtedness to the Hebrew Bible for much of his imagery and ideas Mitchell G Reddish O L Walker Professor of Christian Studies and Chair Department of Religious Studies Stetson University
