Das, 2008-05-28 Rising terrorism and advances in technology

along with new organizational strategies and investigative techniques have stretched the traditional role of the police officer. Calls for strong intelligence driven paramilitary policing juxtaposed with a demand for softer community policing leave officers under increased pressure to be tough and

*Critical Issues in Policing* Roger G. Dunham, Geoffrey P. Alpert, Kyle D. McLean, 2020-07-01 The eighth edition of this comprehensive collection includes carefully chosen articles with fresh perspectives on the most current trends in policing. *Critical Issues in Policing* provides ready access to the brightest minds in the field of policing. The 36 contributions sharpen understanding of the intricacies of police work and encourage readers to change from holding the police responsible for crime rates to holding them accountable for specific goals, tasks, and objectives. The new edition continues its authoritative insightful coverage of complex elements of policing and presents vivid and pragmatic illustrations of law enforcement issues. The anthology offers an alternative to traditional policing texts. It covers philosophies of policing that guide discussions about police culture, police misconduct, use of force, operational concerns, and technological innovations.

*Contemporary Issues in American Policing* Richard K. Moule Jr., Bryanna Fox, 2021-03-30 American law enforcement and the public's perception of police is a topic of growing interest among academics, practitioners, and policymakers. From the 2014 events in Ferguson, MO, and the alleged Ferguson Effect to the debate over the impact of body worn cameras (BWCs), police militarization, use of force, and other practices that may alter the public's view of police legitimacy and procedural justice, there is an increasing need for research addressing these contemporary issues in American policing. This book presents the latest research on these topics as well as related topics noted in the Presidential Task Force on 21st Century Policing, such as police use of technology, transparency, oversight, and building trust with the community. The studies contained in this book examine these issues by leveraging empirical data on policing, public perceptions, crime, and diverse research methods to present high quality analysis of these timely and relevant topics in today's world. The chapters in this book were originally published as a special issue of the *Journal of Crime and Justice*.

*Contemporary Issues in Crime and Criminal Justice* Gilbert Geis, Henry N. Pontell, David Shichor, 2001 Assembled in honor of the preeminent criminologist and scholar Gilbert Geis on the occasion of his seventy fifth birthday, this volume features original, interesting, cutting edge essays written by internationally known contributors in such areas as white collar crime, punishment, and social control, public policy issues, comparative criminology, law, victimology, and policing. Features writing, for example, by Braithwaite, Vaughn, Short, Farrington, Levi, Pontell, Calavita, Meier, Simpson, Huff, Cullen, on a broad array of topics in THEORY AND METHOD IN CRIMINOLOGICAL RESEARCH, WHITE COLLAR CRIME AND CORPORATE CRIME, SOCIAL CONTROL, INTERNATIONAL AND COMPARATIVE STUDIES, And Various FORMS OF CRIME. For scholars, students, and practitioners of criminal justice.

**Police and Policing** Dennis Jay Kenney, 1989 A contributed work, this new book looks at the most recent knowledge of American policing and law enforcement research. The opening section of the book focuses on the issues concerning the policy as individuals, including the educational level of police officers and how this has

impacted on the performance of officers and the abilities of agencies to reach their goals Issues concerning college and policing the role of women and policing and the use of psychological testing for the selection of police are explored The book's second section looks at and reviews traditional approaches to policing Topics cover for example the results of the Kansas City Preventative Patrol Experiment perhaps the most well known and most controversial of police experiments Other topics in this section include the range of activities that police actually do while on patrol as well as the latest research by England's Home Office on how cases are solved by investigators Section three of the volume focuses on the experimental methods of policing currently being tried around the country The next section looks at policing the police and gives the reader an opportunity to think about the ethical issues and the problems of controlling police power in a free society The social implications of covert police actions are considered and personal accounts of the individual impacts are provided in this section The fifth section of the volume focuses on citizen involvement in the law enforcement process and important questions about citizen effectiveness and control are analyzed Finally the last section of the book looks at major issues of police management This book is ideal for anyone interested in current issues in American policing and law enforcement

**Contemporary Issues in Law**, 2001      **Police and Policing** Dennis Kenney, Robert Hartmann McNamara, 1999-03-30 Since the publication of the first edition of *Police and Policing* in 1989 the amount of research being conducted on the police as well as public interest in the issues concerning the role of law enforcement has grown considerably This second complementary edition examines new issues and changes in law enforcement since 1989 drawing from the most recent and creative research projects in the field Some of the country's leading experts discuss their findings on topics such as officer fatigue collaborative problem solving tactical patrol suicide the role of religion in law enforcement affirmative action and psychological testing This edited collection will prove to be an invaluable resource for students scholars and practitioners alike
