Contemporary Marriage Structure Dynamics And Therapy:

Contemporary Marriage Henry Grunebaum, Jacob Christ, 1976-01-01 *The Family*, 1980 *Intimacy* Martin Fisher, 2012-12-06 Intimacy is a complex and heterogeneous concept that has generated a variety of definitions theories and philosophies over the years Al though there is much disagreement about the essential meaning of the term there seems to be a consensus that intimacy whatever it may be is of central importance in human relationships and specifically in the theory and practice of psychotherapy One approach to intimacy focuses on an intrapsychic conception Intimacy occurs when an individual achieves full self knowledge and is fully in touch with his or her feelings and wishes From this viewpoint an intimate act occurs when a person is willing to share these feelings and wishes with another so that self disclosure becomes an important index of intimacy This definition also implies that intimacy need not be reciprocal so that a therapeutic relationship can achieve a good deal of intimacy without the therapist engaging in self disclosure An alternate approach to intimacy stresses the interpersonal nature of the concept Intimacy is seen as the product of an interaction and can only occur between people Each one is able to touch something meaningful in the other whether at a conscious behavioral level or an unconscious and inferential level Therapists seeking intimacy in these terms would probably be a good deal more active and consider it more important to reveal something of the substance of their own persons if not the facts of their lives *African Psychology* Augustine Nwoye, 2022 One of the most unprecedented developments in the history of the scientific study of psychology in postcolonial Africa is the recent welcome inclusion of the study of African psychology within the psychology degree curriculum of some foreword thinking African universities In each of those universities such as the University of KwaZulu Natal in South Africa and Kenyatta University in Nairobi Kenya East Africa there now exists a gradual entrenchment of the African derived psychology in the curricular provisions of their psychology degree programmes With particular reference to the University of KwaZulu Natal in South Africa for instance a number of African psychology based modules have recently been developed approved and incorporated into the list of modules for psychology degree students at the undergraduate Honours and the Master s degree levels see University of KwaZulu Natal College of Humanities Handbook 2018 **Treating People in Families** William C. Nichols, 1996-01-01 The second section focuses on evaluation and treatment In depth chapters demonstrate how to apply the approach during the various stages of the family s developmental life cycle covering everything from planning therapy and defining goals to performing effective diagnosis and assessment and giving feedback to clients The book also provides a wealth of useful advice for treating problems that arise with divorce and remarriage Throughout special attention is given to ethical considerations in therapy the responsibilities of both the therapist and clients and issues of gender and ethnicity **I Don't Want to Talk About It** Terrence Real, 1999-03-11 A bestseller for over 20 years I Don t Want to Talk About It is a groundbreaking and hopeful guide to understanding and destigmatizing male depression essential not only for men who may be suffering but for the people who love them Twenty years of experience

treating men and their families has convinced psychotherapist Terrence Real that depression is a silent epidemic in men that men hide their condition from family friends and themselves to avoid the stigma of depression's unmanliness. Problems that we think of as typically male—difficulty with intimacy, workaholic behavior, alcoholism, abusive behavior, and rage—are really attempts to escape depression. And these escape attempts only hurt the people men love and pass their condition on to their children. This groundbreaking book is the pathway out of darkness that these men and their families seek. Real reveals how men can unearth their pain, heal themselves, restore relationships, and break the legacy of abuse. He mixes penetrating analysis with compelling tales of his patients and even his own experiences with depression as the son of a violent depressed father and the father of two young sons. *An Introduction to Marital Theory and Therapy* Leroy G. Baruth, Charles H. Huber, 1984

Current Catalog National Library of Medicine (U.S.), First multi-year cumulation covers six years 1965-70 **Dynamics of Couples Therapy** Jurg Willi, 1984 **TABLE OF CONTENTS** 1 The Therapeutic Triangle 2 The First Talk with the Couple 3 Indicative Criteria for Therapy and the Choice of Therapy Method 4 Resistance for Couples Therapy 5 Dynamics of the Relationships in a Therapeutic Triangle 6 The Therapist's Involvement with the Marital Partners Viewed as Therapeutic Collusion 7 Sex-Determined Limitations of the Couples Therapist 8 Couples Therapy Conducted by a Therapist Couple Co-therapy 9 Other Methodological Problems 10 Problems of Value in Couples Therapy 11 Divorce and Remarriage 12 Helga and Stani: A Couple in Therapy 13 What This Book Can Teach **Modern Perspectives in the Psychiatry of Middle Age** John G. Howells, 1981 *Journal of Integrative and Eclectic Psychotherapy*, 1990 **Every Woman's Health** Douglass S. Thompson, 1985 **On Love and Loving** Kenneth S.
