Contested Knowledge Steven Seidman, 2011-09-23 Contested Knowledge is a well established text offering up to date perspectives on social theory by one of the most important thinkers of our time This fourth edition includes an exploration of globalization and a new section on the theories of global and world order It provides a thoughtful and rigorous yet highly accessible and reader friendly account of social theory Responds to current issues debates and new social movements Reviews sociological theory from a truly contemporary perspective Examines both classical and contemporary theories Combines social analysis and moral advocacy to demonstrate how social theory contributes to the making of a better world Challenges social scientists to renew their commitment to the important moral and political role social knowledge plays in public life A thoughtful and rigorous yet highly accessible and reader friendly account of social theory An accompanying website containing additional support for lecturers and students is available at www.blackwellpublishing.com/seidman

Criminology, Deviance, and the Silver Screen J. Frauley, 2010-12-20 This text argues for the usefulness of fictional realities for criminological theorizing and analysis It illustrates that a creative and critical social scientific practice requires craft norms rather than commercial norms that threaten to completely colonize higher education California. Court of Appeal (3rd Appellate District). Records and Briefs California (State)., **Exoticizing Consumption** E. C. Spary, Justin Rivest, 2025-10-21 Exotic drugs and spices from tea to opium were among the first fruits of European commercial expansion in the sixteenth century By the eighteenth many had become profitable products of the European empires that had spread across the globe Often they were objects of appropriation substances whose curative virtues were known to Indigenous peoples and assimilated into European knowledge and commerce by missionaries soldiers and merchants Exoticizing Consumption explores the many ways in which new global drugs disrupted the European medical marketplace how they came to be known described valued and used in Europe how they reached European markets who sold them and who consumed them Individual chapters covering many parts of Europe from Spain in the south to Russia in the north address the effects of commercial expansion when no central national or international system for policing drugs existed Collectively they trace the movement of drugs from their sources of extraction all over the world in light of intertwined processes of knowing healing using and selling in the global marketplace and beyond Academic Freedom and the Transnational Production of Knowledge Dina Kiwan, 2024-01-25 Drawing on rich interviews with academics in four different countries this book develops a transnational theory of academic freedom
