Contested Modernities In Chinese Literature:

Contested Modernities in Chinese Literature C. Laughlin, 2005-06-03 This book is a significant gathering of ideas on the subject of modern Chinese literature and culture of the past several years The essays represent a wide spectrum of new approaches and new areas of subject matter that are changing the landscape of knowledge of modern and contemporary Chinese culture women's literature theatre performance film graphic arts popular literature as well as literature of the Chinese diaspora These phenomena and the approaches to them manifest interconnected trajectories for new scholarship in the field the rewriting of literary history the emergence of visual culture and the quotidian apocalypse the displacement of revolutionary romanticism and realism as central paradigms for cultural expression by the perspective of private everyday experience

Chinese Revolution and Chinese Literature Tao Dongfeng, Rosemary Roberts, Yang Xiaobin, 2009-05-05 This volume has brought together essays to explore analyse and interpret the revolutionary tradition in modern Chinese literature over the past century from various angles The authors examine the bodily or carnal dimension especially the hidden implication of sexual passion in revolutionary literature formulate feminist critiques of the conception of women in literary expressions of revolution explore the function of revolution as historical discourse and in historiographical representation and discuss the reworking of revolutionary classics in recent literary and artistic endeavours Here revolution in history and in literature is conceptualized neither as an unquestionably progressive and creative force for a new world nor an absolutely pejorative concept that necessarily leads to sociopolitical turmoil and tragedy Insofar as postrevolutionary writings cannot but reappropriate the revolutionary spirit as their unavoidable and inseparable traumatic kernel studies in revolutionary literature and culture too go through the zigzag experience of revolution in order to scrutinize its complex implications

A World History of Chinese Literature Yingjin Zhang, 2023-07-25 Providing a broad introduction to the area A World History of Chinese Literature maps the field of Chinese literature across its various worlds looking both within at the world of Chinese literature its history linguistic cultural local and regional specificities and without at the way Chinese literature has circulated throughout the world The thematic focus allows for a broad number of key categories such as authors genres genders regions as well as innovative explorations of new topics and issues such as inter arts performativity and transmediation The sections cover the circulation and reception of China in world literature as well as the worlds of Chinese literature across the globe Borders oceans and rainforests Comparative literary genres Translingual writers and scholars Gender configurations Translation and transmediation With a focus on the twentieth and twenty first century this collection intervenes in current debates on global Chinese literature Sinophone and Sinoscript studies and the production and reception of literary works by ethnic Chinese in non Sinitic languages as well as Anglophone literature inspired by Chinese literary tradition It will be of interest to anyone working on or studying Chinese literature language and culture as well as world literatures in relation to China

A Modernity Set to a Pre-Modern Tune Haosheng Yang, 2016-03-11 In A

Modernity Set to a Pre Modern Tune Haosheng Yang provides an in depth study of the classical style poems of the most iconoclastic May Fourth Chinese writers Lu Xun Yu Dafu Zhou Zuoren Guo Moruo and Nie Gannu and highlights the five literary masters engagement with traditional lyricism as their critical response to the sociopolitical turbulence of twentieth century China This study challenges the bias against classical forms as allegedly outdated modes incapable of representing modern reality in current Chinese literary history Yang s fascinating book positions modern Chinese literature s formalistic nonlinearity representational experiences and aspiration for a new voice through an old form as factors that are all crucial to exploring more fully the blurred boundary between the traditional and the modern **The Poet Zheng Zhen (1806-1864)**

and the Rise of Chinese Modernity Jerry D. Schmidt,2013-06-20 In The Poet Zheng Zhen 1806 1864 and the Rise of Chinese Modernity J D Schmidt provides the first detailed study in a Western language of one of China s greatest poets and explores the nineteenth century background to Chinese modernity challenging the widely held view that this is largely of Western origin The volume contains a study of Zheng s life and times an examination of his thought and literary theory and four chapters studying his highly original contributions to poetry on the human realm nature verse narrative poetry and the poetry of ideas including his writings on science and technology Over a hundred pages of translations of his verse conclude the work **Contemporary Chinese Fiction Writers** Laifong Leung,2016-07-28 In the years since the death of Mao

Zedong interest in Chinese writers and Chinese literature has risen significantly in the West In 2000 Gao Xingjian became the first Chinese writer to receive the Nobel Prize for Literature followed by Mo Yan in 2012 and writers such as Ha Jin and Da Sijie have also become well known in the West Despite this progress the vast majority of Chinese writers remain largely unknown outside of China This book introduces the lives and works of eighty contemporary Chinese writers and focuses on writers from the Rightist generation Bai Hua Gao Xiaosheng Liu Shaotang writers of the Red Guard generation Li Rui Wang Anyi Post Cultural Revolution Writers as well as others Unlike earlier works it provides detailed often first hand biographical information on this wide range of writers including their career trajectories major themes and artistic characteristics In addition to this each entry includes a critical presentation and evaluation of the writer s major works a selected bibliography of publications that includes works in Chinese works translated into English and critical articles and books available in English Offering a valuable contribution to the field of contemporary Chinese literature by making detailed information about Chinese writers more accessible this book will be of interest to students and scholars Chinese Literature Contemporary Literature and Chinese Studies **Maoist Laughter** Ping Zhu,Zhuoyi Wang,Jason McGrath,2019-08-01 WINNER 2020

Choice s Outstanding Academic Title During the Mao years laughter in China was serious business Simultaneously an outlet for frustrations and grievances a vehicle for socialist education and an object of official study laughter brought together the political the personal the aesthetic the ethical the affective the physical the aural and the visual The ten essays in Maoist Laughter convincingly demonstrate that the connection between laughter and political culture was far more complex than

conventional conceptions of communist indoctrination can explain Their sophisticated readings of a variety of genres including dance cartoon children s literature comedy regional oral performance film and fiction uncover many nuanced innovations and experiments with laughter during what has been too often misinterpreted as an unrelentingly bleak period In Mao s China laughter helped to regulate both political and popular culture and often served as an indicator of shifting values alliances and political campaigns In exploring this phenomenon Maoist Laughter is a significant correction to conventional depictions of socialist China Maoist Laughter brings together prominent scholars of contemporary China to make a timely and original contribution to the burgeoning field of Maoist literature and culture One of its main strengths lies in the sheer number of genres covered including dance traditional Chinese performance visual arts film and literature The focus on humor in the Maoist period gives an exciting new perspective from which to understand cultural production in twentieth century China Krista Van Fleet University of South Carolina An illuminating study of the culture of laughter in the Maoist period Focusing on much neglected topics such as satire jokes and humor this book is an essential contribution to our understanding of how socialist culture actually worked as a coherent dynamic and constructive life experience The chapters show that traditional culture could almost blend perfectly with revolutionary mission Xiaomei Chen University of California Davis *Developmental Fairy Tales* Andrew F. Jones, 2011-05-02 Jones revises our understanding of modern China by tracing the ways that evolutionary works developed into a form of vernacular knowledge in modern Chinese literature From children s primers to print culture from fairy tales to filmmaking his analysis offers an innovative and interdisciplinary angle of vision on China s cultural evolution **Belief, History and the Individual in Modern Chinese Literary Culture** Artur K. Wardega, 2009 A value system in constant change a longing for stability amid uncertainties about the future a new consciousness about the unlimited challenges and aspirations in modern life these are themes in modern Chinese literature that attract the attention of overseas readers as well as its domestic audience They also provide Chinese and foreign literary researchers with complex questions about human life and achievements that search beyond national identities for global interaction and exchange This volume presents ten outstanding essays by Chinese and European scholars who have undertaken such exchange for the purpose of examining the individual and society in modern Chinese literature

Corruption and Realism in Late Socialist China Jeffrey Kinkley, 2007 The first analysis in any language of China s recent epic novels about official corruption this book explores how Chinese authors treat the theme of official malfeasance in mass market thrillers how those works reflect modern life and how they approach the taboo subject of regime change
