Today's Not Boring is brought to you by... [Composer](#)

We all love Warren Buffet, but trying to "be greedy when others are fearful" is easier in theory than practice. In the market we're in, removing emotion is key... but hard for us humans.

Thankfully, there's [Composer](#) - a platform for creating and investing with rules-based trading strategies. It's basically algo-trading without Python or Excel. They have dozens of pre-made investing templates, but what's really cool is that you can edit those templates or build your own strategies from scratch, backtest them, and then invest.
