**Psychoanalysis as Therapy and Storytelling** Antonino Ferro, 2012-07-26 Is psychoanalysis a type of literature Can telling stories help us to get at the truth Psychoanalysis as Therapy and Storytelling examines psychoanalysis from two

perspectives as a cure for psychic suffering and as a series of stories told between patient and analyst Antonino Ferro uses numerous clinical examples to investigate how narration and interpretation are interconnected in the analytic session He draws on and develops Bion's theories to present a novel perspective on subjects such as psychoanalysis as a particular form of literature sexuality as a narrative genre or dialect in the analyst's consulting room delusion and hallucination acting out the countertransference and the transgenerational field play characters narrations and interpretations Psychoanalytic clinicians and theoreticians alike will find the innovative approach to the analytic session described here of great interest Winner of the 2007 Sigourney Award      **Inside the Freud Museums** Joanne Morra, 2017-12-11 Sigmund Freud spent the final year of his life at 20 Maresfield Gardens London surrounded by all his possessions in exile from the Nazis The long term home and workspace he left behind in Berggasse 19 Vienna is a seemingly empty space devoid of the great psychoanalyst's objects and artefacts Now museums both of these spaces resonate powerfully Since 1989 the Freud Museum London has held over 70 exhibitions by a distinctive range of artists including Louise Bourgeois Sophie Calle Mat Collishaw Susan Hiller Sarah Lucas and Tim Noble and Sue Webster The Sigmund Freud Museum Vienna houses a small but impressive contemporary art collection with work by John Baldessari Joseph Kosuth Jenny Holzer Franz West and Ilya Kabakov In this remarkable book Joanne Morra offers a nuanced analysis of these historical museums and their unique relationships to contemporary art Taking us on a journey through the site responsive artworks exhibitions and curatorial practices that intervene in the objects spaces and memories of these museums Joanne Morra offers a fresh experience of the history and practice of psychoanalysis of museums and contemporary art      Whitaker's Books in Print ,1998      **Telling Stories** Jane Tormey, Gillian Whiteley, 2009 Trespassing disciplines and binding together practice and theory Telling Stories Visual Practice Theories and Narrative crosses strange territories and occupies liminal spaces It addresses a contemporary preoccupation with narrative and narration which is being played out across the arts humanities and beyond and considers how visual and performative encounters contribute to thinking How might they tell theories Telling Stories results from a series of symposia held at Loughborough University School of Art and Design in 2007 The programme included papers screenings and performances and was based around the convenors TM shared interests in Peggy Phelan TM's notion of performative writing TM and in the examination of inter disciplinary forms of narrative and counter narrative It specifically focused on three aspects experimental forms of Theories and Criticism Objects and Narrative and the particular form of the Cinematic Essay and explored how the performative move could also be said to apply to forms of contemporary art practice to what photography film objects wish to say This resulting edited collection presents contemporary making and writing practices as multi faceted interdisciplinary and trans medial and is indicative of an attitude that sets out to encounter the world its social conditions its global perspectives and the nature of aesthetic discussion that is no longer confined by formalism      Free Associations ,1992      **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004      **Fifty**
