If you are a new Blogger there is always that Brain Freeze that comes with starting. Below are a BIG BUNCH of some ideas that may help. I hope all the ideas below are helpful.

Dennis DeLaurier Author *The Art and Science of Effective and Impactful Business Communication for Managers* Kariminder Ghuman, 2024-09-16 Though we all communicate yet effective communication is not an innate skill for many people. It has to be learned and practiced. This book has been designed to meet postgraduate management students' requirements and equip them with the skills needed for effective workplace communication, emphasizing strategies for business interactions. It shall impart learning on core principles of business communication and shall provide practical guidelines regarding how to communicate effectively and impactfully in the complex and nuanced corporate world. The book shall provide an in-depth understanding of communication practices prevalent in business organisations with the aim of preparing students for their future roles in the corporate world. Every chapter has been designed in a manner to provide a tool, strategy, or approach that can further enhance the effectiveness of the communication of readers for contributing towards their success while working at a business organisation. It also covers the new-age digital communication competencies employees need in today's highly dynamic and hybrid working environment.

Professional Techniques for Video Game Writing Wendy Despain, 2020-04-21 This second edition of Professional Techniques for Video Game Writing is updated with new chapters and new authors but it's still a no-nonsense guide to the professional craft of writing for video games. Not only does the text cover story and narrative elements but it also addresses dialogue, documentation, and strategy guides. Seasoned video game writers each address a different topic, including the best way to break into the video game industry, how to be an efficient part of a team, and the principles of narrative design. The book also offers script samples, technical writing advice, effective writing tips, and suggestions for how to innovate in game narrative.

Key Features Comprehensive enough for veterans and accessible enough for novices. Goes into detail about how to write tutorials, script doctoring, and writing for AAA games. Delivers invaluable experiences directly from writers in the games industry. Full of practical advice from industry pros on how to get a job and then how to get the job done.
