Workplace Culture *The Introvert's Guide to Success in the Workplace* Dr. Mike Bechtle, 2023-10-10 Thriving at work doesn't require changing who you are. Do brainstorming meetings leave you drained and wishing you'd said more? Have you been ignored while your extroverted coworkers get praised? Do you feel like you have to pretend to be someone you're not in order to get ahead? As an introvert, you may feel like the things you're best at—deep thinking, keen observation, focused listening, and strategic planning—are not highly valued in your workplace. But just because your greatest strengths are internal doesn't mean your workplace doesn't need them. In fact, your invisible skills are essential to any business's success. And the key to your personal success is not trying to be someone else but being 100% yourself. Backed by research, case studies, and personal observation, communication expert Dr. Mike Bechtle shows you how to capitalize on your unique strengths so that you can reach your full potential with confidence and authenticity. His simple, actionable advice can change your work life starting today.

Creating Introvert-Friendly Workplaces Jennifer Kahnweiler, 2020-06-16 This important book offers organizations the keys to introvert inclusion. Susan Cain, New York Times bestselling author of *Quiet*, Influence: The first guide to creating a welcoming culture that maximizes the powerful contributions introverts bring to the workplace. As the diversity, equity, and inclusion wave widens and deepens its reach, introversion is becoming a natural part of that movement. After all, about half the population identifies as introverts, but many organizations are stuck in traditional extrovert-centric workplace cultures that reward people for speaking up publicly, expect them to log face time, and employ hiring and promotion practices rooted in the past. This ultimately discourages introverts from contributing and reaching their full talent potential, which could have a major impact on the bottom line. Champion for introverts, Jennifer Kahnweiler offers a road map for everyone in the workplace, including leaders, human resource managers, and team members, to create inclusive, introvert-friendly cultures. Kahnweiler provides an assessment to determine how introvert-friendly your organization is and looks at every aspect of organizational life: hiring, training, leading, communicating, meeting, designing workplaces, and more, through an inclusive lens. You'll discover how to make open space offices introvert-friendly, what the best practices are for encouraging introverts to participate on teams, which training techniques work best for introverts, and how to make remote positions work.
