Shaping the Future of Work Chandrasekhar Sripada,2024-07-30 The future of work will largely be shaped by demographics and technology Essentially how we work determines who gets to work The more flexibility that exists both in timing and workspaces the more people can join the workforce In this regard policymakers employers and industry bodies need to come together and create a new ecosystem to foster tech enabled work models across the country This book not only addresses the challenges of building an inclusive human capital framework for India but also highlights some unconventional ideas around work and models of employment which can create this much needed inclusion It is imperative that we adapt and shape the future of work possibilities around flexibility By doing so we can considerably address India's jobs and employment challenges

If You Could Live Anywhere Melody Warnick,2022-07-26 Even when your job can be done from anywhere the place you call home still matters a lot By the old rules of work your dream career determines where you live If you want to make movies move to Los Angeles If you want to work in publishing you must be in New York And if you're launching a start up you'll only succeed in Silicon Valley But with the meteoric rise of remote and freelance work more people than ever are becoming location independent Even doctors teachers and other people in more traditional occupations have to make tough choices about where they settle because living in the right place can still make all the difference for your success and happiness So if work won't dictate where you live how will you ever decide If You Could Live Anywhere answers that question Melody Warnick unpacks the big picture concerns that we often miss when we're writing pros and cons lists about potential destinations Because the secret to being happy isn't moving it's aligning your location with your values You'll learn how to craft a personal location strategy that will make the most of your money your community and your life with success stories from people who flexed their location independence to find homes and work they love The future of work is clear it can happen wherever you are So where do you really want to be
