About My Father's Business Workbook John L. Donelson, 2025-10-24 About My Father's Business is more than a book it's a blueprint for building a life and business rooted in divine purpose. Designed as a hands-on workbook, this guide equips faith-based entrepreneurs to align their ventures with biblical principles, spiritual clarity, and personal calling. Through seven foundational questions: Who am I? Why am I here? What can I do? When am I most effective? Where am I from? Where am I going? How will I get there? You'll uncover the spiritual architecture that supports your identity, unlocks your potential, and clarifies your promise. This book challenges the myth that life is random or that God's ways are unknowable. Instead, it reveals how predictable patterns emerge when you practice the principles laid out in His Word. If you're ready to do business by the Book, this workbook will help you build a foundation that lasts in this life and beyond.

The Invisible Architect: How to Design Your Perfect Life From Within John Novello, 2021-05-01 What would it mean if your perfect life was awaiting your discovery? What if you knew the exact steps that would allow you to discover and achieve this perfect life? And what if you had an Invisible Architect, an all-powerful, all-knowing best friend at your beckon call to help you discover, design, and achieve your perfect life? And what if your perfect life has already been achieved and is waiting for you to claim it? This is exactly what award-winning musician, author John Novello offers in the pages of his extraordinary new transformational book, *The Invisible Architect*. You'll learn that there is indeed a Perfect All-Knowing Power, an Invisible Architect, or to put it in more scientific terms, an Invisible Field of Intelligent Energy that permeates everything that exists, including you and me, and all life, matter, energy, space, and time, and is available to us for information, advice, comfort, and assistance in designing our perfect Divine lives. *The Invisible Architect* is a rare look into the inner world of acclaimed jazz musician, composer, author John Novello by the author himself, and based on his discovery of an inner power we all possess but rarely knowingly use. This book was written because of a Divine, unsolicited conversation he had with the Invisible Architect one day. Here is the conversation: Invisible Architect: John, you now need to spread the WORD. John: confused, What WORD? Invisible Architect: That everybody is one with the Invisible Architect and could be employing this miraculous energy to design their perfect lives from within. John: But there are already many books on this subject. Invisible Architect: True, but not from your unique perspective as a jazz musician who has experienced these wonderful miracles. End of conversation. And therein lies the genesis of this book. I cannot imagine operating without my mystical friend and advisor, the Invisible Architect. And it is now very clear to me that my duty is to spread the WORD to everyone so that they too can design their perfect lives from within as long as they understand the spiritual mechanics involved, the relationship between the Universal Energy, the Invisible Architect, and its creations, and the interactions thereof. But first, you must become aware of the Architect, learn how to consciously commune with and employ the Architect, and finally, trust the Architect to manifest your desires, as only it knows how. *The Invisible Architect* is a captivating story of the aspirations and cognitions of the life of a now famous jazz musician. Enlightening.
