Contested Lands Sugata Bose, 2010-01-01 The search for durable peace in lands torn by ethno national conflict is among the most urgent issues of international politics Looking closely at five flashpoints of regional crisis Sumantra Bose asks the question upon which our global future may depend how can peace be made and kept between warring groups with seemingly incompatible claims Global in scope and implications but local in focus and method Contested Lands critically examines the recent or current peace processes in Israel Palestine Kashmir Bosnia Cyprus and Sri Lanka for an answer Israelis and Palestinians Turkish and Greek Cypriots Bosnia s Muslims Serbs and Croats Sinhalese and Tamil Sri Lankans and pro independence pro Pakistan and pro India Kashmiris share homelands scarred by clashing aspirations and war Bose explains why these lands became zones of zero sum conflict and boldly tackles the question of how durable peace

can be achieved The cases yield important general insights about the benefits of territorial self rule cross border linkages regional cooperation and third party involvement and the risks of a deliberately gradual incremental strategy of peace building Rich in narrative and incisive in analysis this book takes us deep into the heartlands of conflict Jerusalem Kashmir s Line of Control the divided cities of Mostar in Bosnia and Nicosia in Cyprus Sri Lanka s Jaffna peninsula Contested Lands illuminates how chronic confrontation can yield to compromise and coexistence in the world s most troubled regions and what the United States can do to help Contested Lands: India, China and the Boundary Dispute Maroof Raza, A COMPREHENSIVE AND INTERESTINGLY TOLD HISTORY OF THE INDO CHINA BOUNDARY DISPUTE The India China border dispute predates Independence going back a century and a half As complex as the issue is it pivots on two key questions Who does Aksai Chin belong to Will China accept the McMahon Line which separates India s northeastern front regions as the international border between the two countries The dispute over Aksai Chin can be traced back to the military expeditions of General Zorawar Singh of the Sikh Empire into north Baltistan and Tibet in 1841-42 and the Treaty of Chushul of 1842 The McMahon Line on the other hand came into being after a long drawn out boundary conference in Simla in 1913-14 India and China have had a chequered past the month long military confrontation in 1962 and several instances of incursions including the recent troop confrontation in May 2020 bear testimony to this The fact that the Dalai Lama and his followers found refuge in India has only complicated equations further In Contested Lands Maroof Raza dives deep into the history of this long standing territorial dispute going right to the root of the problem to understand why the two Asian neighbours have never managed to move beyond talks and towards a resolution Clear sighted measured and rigorously researched this is a necessary addition to the literature on India China relations **The Indian Decisions (Old Series)** T.
