some pattern or meaning in these bizarre recent events Then one day he comes upon a beautiful young woman at a bus stop who is taking off all her clothes Meade Barstow has no idea what compelled her to disrobe in public and she is grateful when Potiphar comes along to save her from herself Needing some time and a place to recuperate she accompanies him home Soon a relationship develops that is warm mutually supportive and sane in dramatic contrast to the growing madness of the world outside But Potty s house won t be a refuge forever Because once Breen clearly identifies the cycle that humanity is undergoing he and his newfound friend will have to run for their lives Originally published in the early 1950s Heinlein s The Year of the Jackpot is a story of love trust and volatile human nature that still retains its wonder and unique philosophical edge
