Predicting Business Success Matt Betts, Shane Douthitt, Scott Mondore, Hannah Spell, 2018-06-08 HR leaders know people drive business results but often struggle to prove it with data. Predicting Business Success empowers HR professionals to move beyond basic metrics and directly connect talent data to the outcomes executives care about. This practical guide provides a step by step approach to scaling analytics organization wide, making talent profiles predictive and using data to inform key areas such as hiring, onboarding, surveys and training. With actionable strategies for data collection and application, it shows how to embed analytics into everyday decision making at every level. For HR teams looking to increase influence and drive measurable business impact, this book is an essential roadmap.

[The Price of Pettiness](#) Alexander Alonso, 2019-06-21 Beyond the usual everyday annoyances and exasperations we all experience in the workplace, pettiness limits careers and opportunities on a broad scale and sometimes crosses the line into criminal behavior. Based on recent research conducted by SHRM, this groundbreaking book examines the seemingly limitless depths of workplace pettiness as well as the remarkable heights of creativity it seems to inspire in people and delivers proven tools for anyone to spot pettiness and deal with it directly. In addition to revealing the root cause of pettiness and what can be done to eliminate it, Dr. Alonso also offers insights into the personal and organizational costs associated with petty behavior and shows how HR can be its most fierce adversary. But perhaps best of all, he shares some of the most incredible true stories about petty behavior in the workplace you'll ever read. Filled with unforgettable examples, this is essential reading for anyone ready to build a healthier, more productive workplace.
