**Earle Rice, Jr.**

## **Desperate Siege The Battle Of Hong Kong:**

**Desperate Siege** Ted Ferguson, 1980 *Sergeant Gander* Robyn Walker, 2009-09-14 Sergeant Gander is a fascinating account of the Royal Rifles of Canada's canine mascot and his devotion to duty demonstrated during the Battle of Hong Kong in the Second World War. Armed only with his formidable size, an intimidating set of teeth, and a protective instinct, Gander fought alongside his fellow Canadian soldiers. As the Royal Rifles' position became more precarious, the men were forced to retreat into the hills of Hong Kong, and it was here that a group of wounded Canadians, threatened by a live grenade, came to fully appreciate the loyalty of Gander. For his service in battle, Sergeant Gander was awarded the Dickin Medal, the animal equivalent to the Victoria Cross for humans. This honour is dedicated to animals displaying gallantry and devotion to duty while under any control of the armed forces. Sergeant Gander is the nineteenth dog to receive this medal and the first Canadian canine to do so. **Desperate Siege : the Battle of Hong Kong** Ted Ferguson, 1980 **Professional Journal of the United States Army**, 1981 *Air University Review*, 1985-05 **The Good Fight** J. L. Granatstein, Peter Neary, 1995 *Military Review*, 1981 **Strategic Battles in the Pacific** Earle Rice, Jr., 2000 Chronicles the rise of Japanese power in Southeast Asia and the Philippines, the attack on Pearl Harbor, and its aftermath, naval battles leading to the turning point at Midway, and the bloody struggle to capture islands from which to attack the heart of the Japanese Empire. The account is enriched by a diverse selection of primary sources. **A History of Hong Kong** Frank Welsh, 1997 **The Damned** Nathan M. Greenfield, 2010-10-12 The Damned tells the largely unknown saga of Canada's first land battle of the Second World War, fought in the hills and valleys of Hong Kong in December 1941, and the terrible years the survivors of the battle spent as slave labourers for the Empire of Japan. **The Canadian Military Experience 1867-1967** O. A. Cooke, 1979 **The Sound of War** Peter Stursberg, 1995-10-13 As a CBC war correspondent, Peter Stursberg covered the first full-scale action of the Canadian troops in the Second World War, the landing in Sicily on 10 July 1943. He was the only Canadian correspondent to enter both Axis capitals, Rome and Berlin, with the Western Allies. Stursberg also reported on the Italian campaign, the invasion of Southern France, the crossing of the Rhine, and the liberation of Holland and Norway. The Sound of War is a highly personal account from a journalist who was on the front line, observing the men in battle. It is also an insider's story of what war was like on a day-to-day basis in London, Algiers, Sicily, Italy, and northwestern Europe. Stursberg, whose voice from the war became well known in Canada, also participated in another historic event: the establishment and organization of the CBC's overseas news reporting during the war formed the foundation for the creation of a national news service. Radio, with its immediacy and impact, became a significant medium for the carrying of war information to the home front; its more dramatic coverage challenged that of the print news. Stursberg explains how the CBC's approach to broadcasting from the front outdid that of its rivals in radio, the BBC, and the American networks. **Saturday Night**, 1980 **Mutual Hostages** Patricia Roy, 1990 Japanese Canadians cannot forget the

revocation of their civil rights the confiscation of their homes and businesses and their forced return to the country they had left behind Canadian veterans cannot forget the harsh treatment they endured or their friends who did not survive it This study by a team of historians two Canadian and two Japanese presents the dual story of a deeply painful episode in the history of two countries back cover      **The American Legion** ,1985      On Guard for Thee Norman Hillmer,Bohdan S. Kordan,Lubomyr Y. Luciuk,1988      **Caught in a Tornado** James Rodman Ross,1994 Wen endured years of imprisonment forced labor interrogations and beatings Yet unlike many of her colleagues she refused to confess to charges of espionage and survived the brutalities of the Red Guards      *A Borrowed Place* Frank Welsh,1993 About the history of Hong Kong from ancient times until 1993      Prisoners of the East Allana Corbin,2002 Author s account of the lives of her great grandmother great aunt and grandparents who were caught up in the Japanese invasion of Hong Kong in late 1941 Relates how along with hundreds of other civilians they were imprisoned by the Japanese in the Stanley Civilian Internment Camp Records the privations endured and the family s journey to Australia after they were liberated in 1945 Includes photos and bibliography Author is a commercial helicopter pilot and motivational speaker who previously wrote *The Best I Can Be*      **Subject Catalog** Library of Congress,1970

Getting the books **Desperate Siege The Battle Of Hong Kong** now is not type of inspiring means.
