His Glory Through My Story Fadi B. Matti, 2017-05-20 Christians escape Saddam Hussein hanging in 2003 This book is my real story that shows the real face of Christian persecution in Iraq Baghdad during Saddam Hussein's

regime I was arrested in February 2003 by the Iraqi intelligence with some other Christian believers and we were accused of sharing our Christian faith with non Christians I tell how Jesus Christ himself appeared in my cell to one Muslim leader who was persecuting me because of my faith in Jesus and Jesus Christ rebuked him face to face and told him that he will release me from the Iraqi intelligence headquarters prison in Baghdad called Al Hakimieh the white ship This book also reveals the reality of The Lord Jesus Christ as the King of Kings and the Lord of Lords during the hard times The Lord Jesus is not the Christianity religion he is a real person and he is still alive today and still appears in dreams visions and physically to people to save encourage heal deliver or rebuke and judge others for the sake of his real beloved friends This book is to encourage the persecuted Christians and Churches around the world and to let them know that they are not alone during the persecution and to prepare the Church for the persecution Biblical way and learn how to thank God always during that time and how to deal with it This book is to help other people from all different religions and beliefs and even Christians to know Jesus Christ himself closer and in a personal way This book is to encourage those who put their trust in Jesus Christ and to let them know that they are not alone in this life but Jesus Christ himself is with them ALWAYS whether they feel that or not He is there for them even if they don't have enough faith to see that In this book you will read many other personal testimonies that reveals practically that the Bible is the real word of God and it is still active and working in our day and our generation This book reveals that there is no power on earth can fight and stand against Jesus Christ and His word The Bible and his followers can stand on earth but eventually it will be judged and destroyed totally This book is all about real and practical testimonies that supports the Word of God and the Word of God is supporting these testimonies as well Read the real and only reason why Saddam Hussein's Iraqi Government collapsed and why the other governments on the earth they are facing judgments year after year More details in my next book The first step into destruction of any country is to fight Jesus Christ and his real followers and to stand against His Word which is the Bible In this book you will read about the God's patience and love towards people and the judgment of the Anti Christ governments and countries and those who reject his love and mercy and His Word The Bible they will have to pay for their sins consequences which is death God will allow people to reap what they deserve the penalty of their sins which is death because they rejected what they don't deserve His Son Jesus who took their sins and its penalty upon himself by His death and His resurrection That's called judgement In this book you will see how I saw God's powerful hand and how I learned about him in my darkest time more than what I have learned in many religions churches I've been through You can see God more clearly and closely in your worst and darkest times than in your best and quiet times just don't lose hope in him till the end and he will deliver you from all your temptations as he has done with me personally and still doing with me and he will continue forever I am still learning in spite of all my mistakes failures and weaknesses I recommend all governments and people in authority to read this book and learn from it especially those who are against the Word of God Bible I hope you enjoy this journey as you read this book Be blessed and encouraged
