**Destiny of Angels** Richard McCulloch, 1986      **Destiny with Angels** Julia Evans, 2016-04-06 If you have been drawn to read this book it will not be by coincidence rather through synchronicity This is my life story but if you are being guided to read about the lessons contained within it will be because ultimately they touch on yours Aware of Angels from earliest childhood this story relates the extraordinary spiritual journeys my soul has undertaken as I was let to use my special gifts in places and situations others may have been wary to tread Deep inside the deserts of Arabia throughout West Africa West Indies India Canada USA and the UK my work has connected me with numerous souls from all walks of life and dimensions Ranging from the everyday person on the street to Royal family members as their souls came seeking greater guidance towards true fulfillment and universal truths Repeatedly confronted by authority figures and power play situations from earliest days the soul underwent valuable lessons around power and its misuse Through gaining this early knowledge which later was processed into wisdom I was able to pass onto others similar learnings for use in their lives Two Karmic meetings when I was barely 16 years old illustrates the test my soul encountered between the spiritual versus the material choices in life One involved a young man who later became my husband the other a multimillionaire boss who proposed marriage to me My story then reveals all that happened to a foreign female soul when she encountered the highest male authority figures in an Eastern world Explaining how I was unfairly taken into State Security and questioned whilst buying a piece of chicken How I became involved in others real life dramas including assisting female escapees and their children to reach safety These and many other revelations unfold throughout this story

**Skyfall: Angels of Destiny** Zen Garcia, 2018-08-25 I believe that the world is being forced into a place where all must reassess all they thought they knew and understood about life and why we are here My efforts are to guide others seeking such answers and assist those whom feel in their hearts that there is indeed something greater to the design of life and our reasons for being here in the flesh and at this time It is my opinion that knowledge that we have pre existed and have been predestined for a higher purpose by the Father and Son since even before the foundations of this world is the key which can help one to realize that indeed there is significance and a meaningful reason to the unfolding of all things and our part within them
