## **Destinys Children:**

Exultant Stephen Baxter, 2004-10-26 Baxter has an uncanny gift for mixing a punchy cyberpunk cynicism with his resolutely hard SF story base Exultant rivals Asimov in its boundless vision for the future evolution of humanity Kirkus Reviews starred review For more than twenty thousand years humans have been at war with the alien race of Xeelee Faced with certain death a young pilot Pirius disobeys orders and travels into the future Upon his return Pirius is court martialed and sentenced to penal servitude But it is not only Pirius who pays the price In flying into the future and back again Pirius returned to a time before he'd left a time inhabited by his younger self who also receives punishment Commissary Nilis believes that the elder Pirius whom he dubs Pirius Blue may know how to defeat the Xeelee But Nilis can do nothing for Pirius Blue Instead he takes the younger Pirius Pirius Red back to Earth There Pirius Red will discover truths that shatter his preconceived notions of all that he is fighting for while Pirius Blue will learn even harsher truths But the most shocking revelation of all is still to come Absurdly ambitious technically brilliant and downright exciting SFX Magazine Striking chilling with a triumphant conclusion Starburst Transcendent Stephen Baxter, 2006 In the distant future Alia is entrusted to Witness the life of Michael Poole a man haunted by his wife's death and struggling to reconnect with his estranged son while fighting off a global disaster Book 3 *Destiny's Child* Anthony L.
