Drawing on hundreds of fanzines magazines and newspapers the book is in the spirit of punk an obsessive strident and sometimes deeply personal portrait of the many ways in which punk was an artistic cultural and political expression of defiance A Cultural Dictionary of Punk is organized around scores of distinct entries on everything from Lester Bangs to The Slits from Jimmy Carter to Minimalism from Dot Dash to Bad Brains This book takes a fresh look at how the malaise of the 1970s offered fertile ground for punk as well as the new wave post punk and hardcore to emerge as a rejection of the easy platitudes of the dying counter culture The organization is accessible and entertaining short bursts of meaning in tune with the beat of punk itself Meant to be read straight through or opened up and experienced at random A Cultural Dictionary of Punk covers not only many of the well known now legendary punk bands but the obscure forgotten ones as well Along the way punk s secret codes are unraveled and a critical time in history is framed and exclaimed **Japan's Favorite Mon-star** Steve Ryfle,1998 More than 40 years after he emerged from the mushroom cloud of an H Bomb test Godzilla reigns as the king of monsters The book dispels the myths and illuminates the mysteries surrounding the enigmatic mon star and is loaded with background information and trivia about the people who created Japan s favorite monster 50 illustrations *A Critical History and Filmography of Toho's Godzilla Series, 2d ed.* David Kalat,2017-11-03 This thoroughly updated and revised critical account of the Godzilla movie franchise explores the fascinating story behind Japan s most famous movie monster and its development from black and white arthouse allegory to international commercial juggernaut Reviled by critics but boasting a dedicated cult following the films of the Godzilla franchise provide a unique window into the national identities of both Japan and the United States This work focuses on how differences in American and Japanese culture as well as differences in their respective film industries underlie the discrepancies between the American and Japanese versions of the films It features detailed filmographic data for both the American and Japanese versions of each film including plot synopses cast credits and detailed production notes **Yu-Gi-Oh!
