Detente Promises And Pitfalls:

Detente Gerald Lee Steibel,1975 The Promise and Pitfalls of Grand Strategy (Enlarged Edition) Hal Brands,Strategic Studies Institute,U.S. Army War College,2013-05-21 What is grand strategy and why is it seemingly so important and so difficult This monograph explores the concept of grand strategy as it has developed over the past several decades It explains why the concept is so ubiquitous in discussions of present day foreign policy examines why American officials often find the formulation of a successful grand strategy to be such an exacting task and explores the ways in which having a grand strategy can be both useful and problematic It illustrates these points via an analysis of two key periods in modern American grand strategy the Truman years at the outset of the Cold War and the Nixon Kissinger years in the late 1960s and 1970s and provides several suggestions for how U S officials might approach the challenges of grand strategy in the 21st century

The Rise and Fall of Détente Richard W Stevenson,1985-07-22 **The Promise and Pitfalls of Grand Strategy** Hal Brands,2012 What is grand strategy and why is it seemingly so important and so difficult This monograph explores the concept of grand strategy as it has developed over the past several decades It explains why the concept is so ubiquitous in discussions of present day foreign policy examines why American officials often find the formulation of a successful grand strategy to be such an exacting task and explores the ways in which having a grand strategy can be both useful and problematic It illustrates these points via an analysis of two key periods in modern American grand strategy the Truman years at the outset of the Cold War and the Nixon Kissinger years in the late 1960s and 1970s and provides several suggestions for how U S officials might approach the challenges of grand strategy in the 21st century *Professional Journal of the United States Army* ,1976 **Strategic Review** ,1975 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States
