

How do you decide what kind of referrals to make?

There are 2 major factors in this:

1. Is the client willing and agreeable to the referral?
2. Is there an appropriate referral in their community?

Determining Appropriate Referrals Of Eng

Sheryl Taylor, Donna Sobel

Determining Appropriate Referrals Of Eng:

Determining Appropriate Referrals of English Language Learners to Special Education, 2002 *Culturally Responsive Pedagogy: Teaching Like Our Students' Lives Matter* Sheryl Taylor, Donna Sobel, 2011-07-19 At its core culturally responsive pedagogy represents a professional philosophy that is based on teachers fundamental commitment to students success Authors Taylor and Sobel believe that teachers want to approach their teaching from the pivotal point that each of their students lives matter Working from a broad perspective of culture the authors view culturally responsive teaching as a contextual and situational process for both teachers and students all students including those who are from a diversity of languages cultures racial ethnic backgrounds religions economic resources interests abilities and life experiences as well as students who are members of the society s mainstream cultural linguistic and socio economic background Recognizing that teachers are conduits of culture regardless of what content they teach the authors assert that when culture is coupled with pedagogy the result involves a complex and comprehensive mix of knowledge and skills for teachers to use to engage a diverse student population This book is intended as a guide and practical discussion for K 12 teachers who are committed to culturally responsive pedagogy and recognize the structural inequalities in society that are reflected in its schools Such teachers acknowledge that schools have a history of failing to serve students who are outside of the mainstream culture For those teachers who recognize the sociopolitical nature of education and the role their own cultural background and privilege play in their work as a professional educator they will find meaningful applications of research based exemplars used to create and manage rigorous learning environments that maximize students opportunities to learn *Language and Literacy Development* Linda I. Rosa-Lugo, Florin M. Mihai, Joyce W. Nutta, 2020-04-03 *Language and Literacy Development English Learners with Communication Disorders from Theory to Application Second Edition* brings you the most useful up to date information on best practices for English learners ELs with communication disorders from a variety of backgrounds how to conduct assessment intervention and progress monitoring The first edition of this text gave a comprehensive overview of the theory and practice of serving ELs with communication disorders and the second edition is expanded to show the nuts and bolts of how to meet ELs needs and how professionals can support their success at school This text emphasizes collaboration between speech language pathology SLP and English for speakers of other languages ESOL professionals More importantly it shows how to apply the knowledge and implement the mechanics and practicalities of assessment intervention and progress monitoring New to the Second Edition Updated EL and EL with communication disorders demographics and legislation An innovative assessment intervention monitoring AIM framework geared toward language proficiency development and academic content expansion of ELs with communication disorders Research based and proficiency level appropriate pedagogical interventions and recommendations for implementing effective assessments that support English learners with communication disorders in their language and content growth Updated information on commonly used assessments used by
