**Changing Threat Perceptions and Military Doctrines** Laszlo Valki,1992-06-18 Owing to the revolutionary changes in Eastern Europe and the Soviet Union the threat perceptions of the East and West have vanished The contributors to this volume report this social process and try to identify some of the new threat perceptions which will arise **Department of Defense authorization for appropriations for fiscal year 1987** United States. Congress. Senate. Committee on Armed Services,1987 **Clausewitz and America** Stuart Kinross,2009-10-16 This book demonstrates how Clausewitzian thought influenced American strategic thinking between the Vietnam War and the current conflict in Iraq Carl von Clausewitz s thought played a part in the process of military reform and the transition in US policy that took place after the Vietnam War By the time of the 1991 Gulf War American policy makers demonstrated that they understood the Clausewitzian notion of utilizing military force to fulfil a clear political objective The US armed forces bridged the operational and strategic levels during that conflict in accordance with Clausewitz s conviction that war plans should be tailored to fulfil a political objective With the end of the Cold War and an increasing predilection for technological solutions American policy makers and the military moved away from Clausewitz It was only the events of 11 September 2001 that reminded Americans of his intrinsic value However while many aspects of the War on Terror and the conflict in Iraq can be accommodated within the Clausewitzian paradigm the lack of a clear policy for countering insurgency in Iraq suggests that the US may have returned full circle to the flawed strategic approach evident in Vietnam Clausewitz and America will be of great interest to students of strategy military history international security and US politics **New Books** National Defense University. Stein,Rand Corporation,1988 Understanding the interests and tactics of our allies is important to improving cooperation with the Tactical Air Working Party of NATO This Note examines the administrative processes and competing influences involved in negotiating statements of NATO s tactical air doctrine including the joint process for developing U S positions on NATO air doctrine and the combined process by which national proposals eventually emerge as formal NATO doctrine The Note reviews the air power interests of Great Britain and West Germany and their influence on the development of NATO air doctrine The authors make tentative suggestions for enhancing the U S position in negotiations over allied air power issues The Development of NATO Tactical Air Doctrine, 1970-1985 David J. Stein,Rand Corporation,1987 This report analyzes the key doctrinal and operational interests of allied services in NATO It addresses the

major issues in the development of NATO tactical air doctrines from 1970 to 1985 and considers why progress in developing NATO air doctrine was often impeded by competing interests among allied nations and their individual services The author suggests that improving NATO's warfighting capabilities and enhancing its force effectiveness cannot be accomplished solely by modifying its air doctrine Disparate national service and budgetary interests underscore competing doctrinal preferences among the allies A U S Air Force regional air doctrine consistent with NATO Tactical Air Doctrine Allied Tactical Publication No 33 could conceivably be the most useful response to the problems of reconciling Air Force and NATO doctrinal imperatives
