However, the expanded second edition of the book also captures the ways in which Detroit has grown and evolved since the publication of the first volume, acting as a printed account and living document of a changing city, as well as a testament to the small independent businesses that have continued to thrive in the neighborhoods and driven the city's evolution. In addition to entries that detail more than 1,500 locations and destinations organized geographically to encourage exploration, the book features maps and original intricate pen and ink illustrations to help orient readers, as well as an alphabetical index to aid discovery and utility.
