**Building Better Brands** Scott Lerman, 2018-05-29 Building Better Brands is the essential guide to creating and evolving brands Leveraging three decades of brand consulting for legendary companies like Caterpillar Harley Davidson 3M Owens Illinois National Australia Bank and American Express as well as middle market and new media startups Scott Lerman shares the processes and frameworks needed to build great brands This book is for you if you're a CEO seeking to enhance your knowledge of the branding process a marketing communications specialist who wants to take a leadership role in advancing an organization's brand a brand consultant who is striving to sharpen and extend your skills or a student who wants to jump start a career in branding Whatever its starting point market leader or struggling competitor any organization that follows this step by step guide will end up with a better brand

**Brand Identity** David Cox, 2021-01-20 What's the first image that comes to mind when you think of your favorite brand Do you want your brand to have a standing chance to be positioned at par with your competitors or even exceed them Has it ever crossed your mind what big brands like Apple and Coca Cola did and have been doing to be where they are now Are you still uncertain if your brand is even strong enough to convey your image and build a presence within the market The problem is that businesses are saturated making the point of entry harder to penetrate because of the stringent competition In fact 59% of consumers prefer to purchase new products from brands they know due to their familiarity with their existing products Despite this there is a way in whether you are just starting your business or you want to revamp your existing brand And it all starts with one thing in mind In Your Step by Step Guide to Brand Building you will discover The 1 mistake marketers make when it comes to building their brand's identity The 9 pillars of brand building you need to know in order for your brand to succeed A breakdown of how you can build a brand with a strong presence even if your current one is flopping The how to of competitive analysis with a tried and tested framework template How altering this one aspect of your logo will affect how consumers perceive your brand The secret to connecting your consumers to your brand boosting their loyalty towards your products The crucial steps you need take after building your brand to maintain status Bonus Case studies on big brands what they are doing right and how they got past the hurdles that blocked their path And much more By establishing a strong brand you will have the most valuable asset your business can possess In 2019 Coca Cola's brand value reached a whopping 80.83 billion dollars and it was first established back in 1886 That's the power good branding will grant you When you have an established name the possibilities and opportunities are limitless yet it can only become a reality if you are equipped with the right tools and knowledge Stop testing strategies with your eyes closed implement the ones that are known to work for you rather than against you If you want to discover how you can build a strong brand that will profit your business tenfold of what it is now then scroll up and click the Add to Cart button
